

A ROUTE FOR THE WABASH TO ENTER EAST LIVERPOOL

Proposition to Bridge the Ohio at Freeman Station, Then Recross the Newell Bridge.

NEW LINE PREDICTED BEFORE 1906

A responsible citizen last evening made the statement that the Wabash railroad will be doing business in East Liverpool before the advent of 1906. His statement was based on reliable information and he is so confident of its accuracy that he offered to wager \$500 on it. The gentleman had been in conversation with an agent of the Wabash, who has been in the city numerous times during the past two weeks.

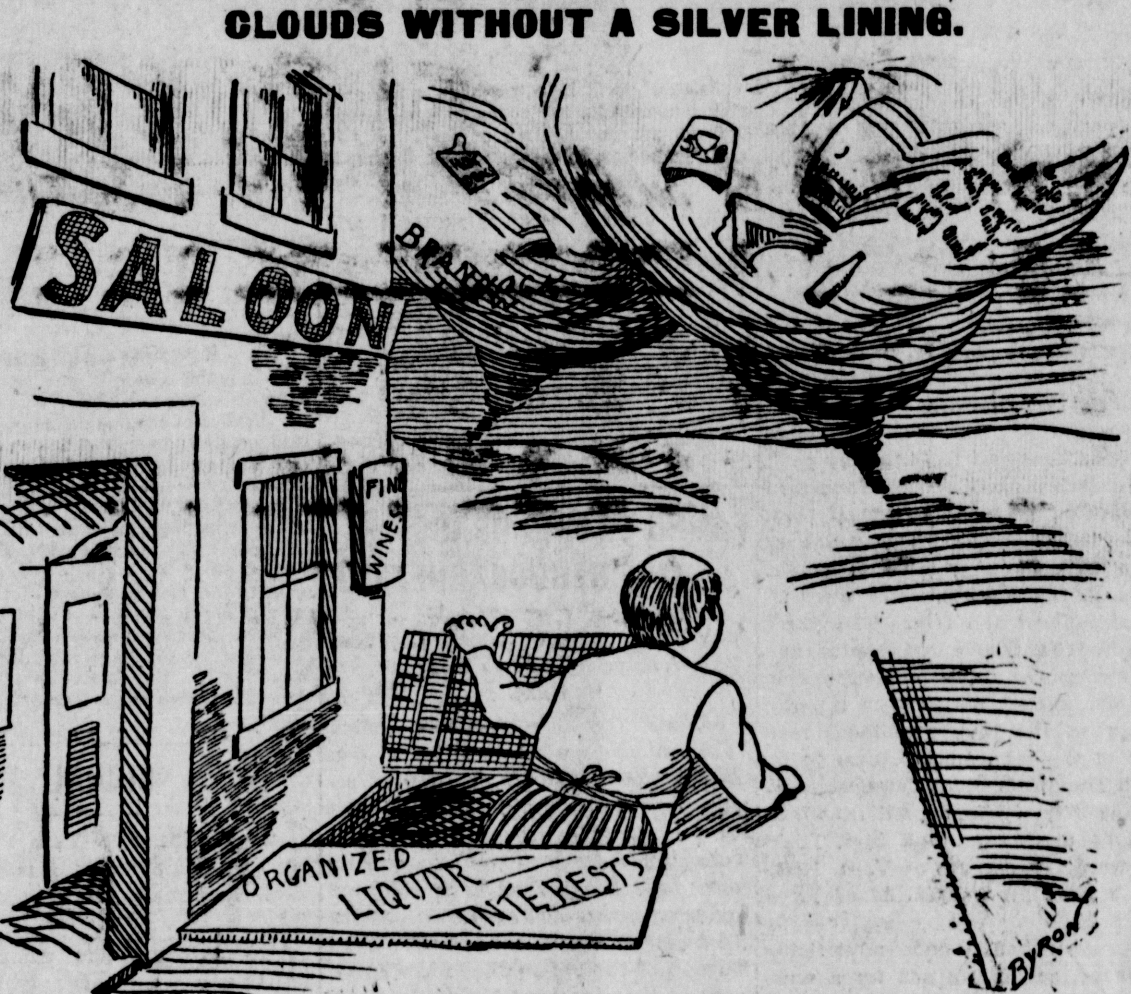

According to the agent the road will enter the city over the new bridge to be built by the Newell Bridge company. W. E. Wells, of the bridge company, was interviewed this morning. Asked if there was any truth in such a report he replied that although his company had received no such information it was possibly not without foundation, simply because the Wabash could not choose a better route. The proposition is the most feasible one that has even been broached, and as the Wabash is exceedingly anxious to get in the city it will doubtless take advantage of the conditions, it is argued.

The Wabash now has the right of way from Steubenville to Freeman station and is actually preparing to do business along that territory. It is a certainty that no corporation would throw away the thousands of dollars that have already been spent by the Wabash to get to Freeman if it did not

have an objective point in view that would bring it big returns. The agent of the railroad stated that the company proposes to span the Ohio river at Freeman's landing near or on the Mahan property, consisting of several thousand acres of as pretty land as can be found along the river. It is a well known fact that eastern capitalists have been negotiating for the purchase of this property for a long time, the purpose being to convert it into a thriving city.

The bridge at Freeman, says the agent, will be erected by the Wabash, and it has negotiated for the purchase of the Mahan estate. Once across the river it will be an easy matter to get the rights of way up to the Newell tract and there will be no opposition on the part of the Newell Bridge company to the railroad crossing its bridge.

Mr. Wells, as well as the other men connected with the company, is too much interested in the welfare of East Liverpool to place a stumbling block in the path of the Wabash if it means business. Mr. Wells knows it to be a fact that the company will come in if possible and stated that if East Liverpool would give it an entrance, there would be nothing to prohibit the C. & P. from having a competitor that will result in great benefits to the Crocker City.

"Cyclones Are Coming This Way And This Is My Only Hope of Escape."

A NEW STATUTE AS TO AUTO SPEED

State Law Renders City Ordinance Unnecessary and Invalid.

LIMITS ON FAST RUNNING

Since the publication in last evening's issue of the News Review to the effect that the mayor proposes to enforce the ordinance recently passed to regulate the speed of automobiles and other vehicles drawn or propelled by motive power, the owners for such vehicles have been much agitated, and one of them produced a copy of the state law this morning which, it seems, makes the local measure invalid.

The bill was passed at Columbus on April 23, and provides that automobiles cannot be operated at a greater speed than eight miles an hour in the business and closely built up portions of any municipality in the state, and that they cannot be run more than 15 miles an hour in other portions, nor more than 20 miles an hour outside of such municipalities. The law also says that the rates of speed shall not be diminished by any ordinance, rule or regulation of any municipality, board or other public authority.

The local automobilists claim that they will operate their cars according to the state law and that the city ordinance will not worry them. It is held that the eight miles an hour provision will hold good only on Market street east and west; Fifth street, from Market to Washington or possibly Broadway; the Diamond; Sixth street from the Diamond to Broadway. These streets are business districts and closely built up.

It has never been the wish of the chauffeur to go swiftly along those thoroughfares, but they do want to speed on Fifth and Fourth streets and they believe they will be backed by the state law in doing so.

PARTIALLY RECOVERED FROM HIS INJURIES

Man Reported Dead of Hydrophobia is Living, But a Cripple.
Robert Donaldson, known by nearly every one in the city by the name of "Bobbie 92," who was bitten on the arm more than eight months ago by a mad dog and who was reported dead in a Wheeling hospital several times, arrived home yesterday. The arm that was bitten is absolutely helpless, and it is likely that he will have it amputated.

Donaldson is a piano player, but will never be able to perform on his favorite instrument again. For a livelihood he will sell fancy articles, and no doubt will prosper, if the people generally understand his true condition. The same dog that bit Donaldson once grabbed Officer McDermott by the trousers and the policeman after hearing of Donaldson's fate was frightened for quite a spell. The dog died of rabies.

RUMORS CURRENT OF FIERCE BATTLE

Thousands Said to Have Been Lost Both by Russians and Japs.

THE DETAILS ARE LACKING

St. Petersburg, May 5.—(Special).—Rumors are current here that a second battle has been fought between the Russian and Japanese troops. The engagement is said to have taken place at Kinlien. The Japanese troops, after severe fighting, were compelled to retreat, leaving many dead and injured. From the number of dead given it appears that the reported engagement must have been the most important on land during the war. The report is that the Russian dead, injured and missing will reach 7,000. The Japanese loss is placed at 10,000.

The Japanese, it is reported, were driven from the battle field in disorder. The reports are so far unconfirmed.

St. Petersburg, May 5.—(Special).—Persistent rumors reach here of another naval engagement between the Vladivostok fleet with the Japanese squadron under Kamimuras. There are no details and the reports have not been confirmed.

London, May 5.—(Special).—A Tokyo dispatch says that after sinking the steamers at the mouth of the harbor the Japanese fleet on Tuesday and Wednesday bombarded Port Arthur.

SANITARY POLICEMAN HAS HIS TROUBLES

Meets With Open Defiance Daily, But Proposes to Enforce the Law.

Sanitary Policeman Burgess is having his troubles now a days. In carrying out the rules of the board of health he is compelled to keep a close watch on the vaults in all sections of the city, and it is his duty to have them cleaned when they are filled to a certain depth. For some reason it is a hard matter to convince the people that they must obey the command of the officer when he orders them to comply with the rules as they pertain to this subject.

He is openly defied nearly every day, but he has concluded to enforce the rules and do his duty at any cost. Those failing to respect his orders will be dealt with according to law.

Sunday School Convention.
East Palestine, May 5.—(Special).—The semi-annual convention of Unity township Sunday schools was held in the Presbyterian church here last night. Routine business only was transacted, after which an entertaining program was given. All the Sunday schools in the township were represented. The place for the next meeting has not yet been decided upon.

PLACED TORPEDO UPON THE TRACK

Would Be Joker Nearly Scared the Life Out of Street Car Passengers.

FINED FOR HIS FUNNY WORK

The explosion of a torpedo on the street car track of the East Liverpool railway, near the Second street switch, yesterday afternoon at about 3 o'clock caused some damage and great consternation among the people of that vicinity. Walter Manley, colored, of Wellsville, was later convicted of placing the explosive on the track and fined \$6 by the mayor.

Manley is a cook employed at Wellsville and came to the city yesterday morning in company with another colored cook. Both men proceeded to fill up on Second street whisky and it was not long until they became real "devilish." Manley had a torpedo in his possession and concluding that he would have a little sport went out to the car track and then ran to a nearby saloon to await the arrival of a street car.

When the car arrived the motorman failed to see the cartridge and ran over it. The explosive must have been larger than those used as signals on steam railroads, because when it burst the car was shaken nearly off the track, the passengers were scared so bad that some of them rushed in terror from the car. The car was damaged somewhat and a globe in front of Amos Ray's meat shop was broken by the concussion.

Officer McDermott heard the report while two blocks away, but when he arrived on the scene the man who had done the mischief was out of sight. The officer commenced to investigate and soon had a clue that led to the arrest of Manley. The latter pleaded not guilty and swore that he never saw a torpedo in his life. The officer was not to be cheated after working so hard on the case and he immediately landed a couple of men who saw the negro put the explosive on the track. When the mayor heard their testimony he pronounced the man guilty and imposed the fine.

GRANTED A DIVORCE

Mrs. John F. Ebert, of This City, Free from Matrimonial Ties.

Lisbon, May 5.—(Special).—Willette Agnes Ebert, of East Liverpool, was divorced from John F. Ebert by Judge Hole yesterday afternoon on grounds of habitual drunkenness and failure to provide. The parties were married January 7, 1888, and have three minor children, George, Edna and Nila, of whom the wife is given custody.

Brookes & Thompson, of East Liverpool, are the plaintiff's attorneys.

McIntosh-McBane.
Miss Josephine McIntosh, of Kansas City, and Angus McBane were married April 20. Mrs. McBane is a niece of Annie Powers, of this city.

STATE SANITARIUM BILL HAS BEEN MADE A LAW

The Much Needed Refuge for Consumptives Can Now Be Established in Ohio.

TWO EASTERN COUNTIES WOULD LIKE IT

From a Staff Correspondent.

Columbus, May 5.—The bill of Senator J. C. Heinlein, of Belmont, providing for the erection of a state sanitarium for consumptives, is now a law, having been signed by Governor Herrick Wednesday evening. It carries an appropriation of \$35,000 for the purchase of a site and erection of a building, and a similar appropriation for the institution for next year is included in the general appropriation bill which is now being subjected to the pruning process by the governor. The governor stated last evening that it might be necessary to veto the appropriation for next year for the institution. This will probably be decided today. Senator Heinlein labored earnestly for the passage of the bill.

There is no person more pleased over the measure becoming a law than Secretary C. O. Probst, of the state board of health. He has been fighting for years to get the state to establish a tuberculosis institution, and it was largely due to his efforts that Senator Heinlein became interested in the project. Two years ago the legislature adopted a resolution to create a commission to investigate the advisability of the state establishing a hospital for the cure and treatment of tuberculosis, and the report of the commission recommended that this be done. Two eastern Ohio counties—Columbiana

and Harrison—have already put in bids for the institution. The site will be selected by a commission to be appointed by the governor. Bellefontaine is also an applicant for the institution.

A GREAT RECORD MADE IN JUDGE HOLE'S COURT

The annual report of the secretary of state for 1903 shows that Columbiana county was sixth in the number of cases disposed of in the common pleas courts of the counties during that year. This is very complimentary to Hon. Warren W. Hole, of Salem, judge of common pleas court of Columbiana county. It is doubtful if there is another judge in Ohio who disposed of a greater amount of court business during the year than Judge Hole. In the year preceding he also made a splendid record. The counties which led Columbiana last year in the number of cases disposed of were Hamilton, Cuyahoga, Lucas, Franklin and Montgomery, the five largest counties in the state. In each of these counties there are three or more common pleas judges. The cases before the common pleas court of Columbiana county during the year were as follows: Cases pending July 1, 1903, 336; cases filed during year ending June

ASKS \$25,000 FOR BROKEN LEGS

UNITY TOWNSHIP MINER BRINGS BIG DAMAGE SUIT.

Negligence is Alleged in Failure Properly to Look After Safety of Workmen.

Lisbon, May 5.—(Special).—William Peralenic, of Unity township, has filed suit against the National Fire Proofing company which operates the State Line coal mines, near East Palestine, asking \$25,000 damages for injuries received in the company's mines. The accident occurred September 2, 1903, when a fall of slate broke both his legs, crushed his right hip and injured his spine so that partial paralysis of the lower limbs resulted. He says he is totally disabled to earn a living and is a permanent sufferer.

The plaintiff alleges that for some days prior to the accident he and other employees of the company, frequently requested the men in charge of the mines to supply them with posts for roof supports. Relying on the promise that they would be furnished when necessary he continued work until the accident. Negligence is alleged in that the company should have known of the defective condition of the mine roof, and that it had means of knowing.

The petition was filed by W. S. Anderson and Nevin & Bye, of Youngstown, and on motion of the defendant's attorneys, Billingsley, Clark & De Ford, the case has been transferred to the United States circuit court at Cleveland.

FOR THE PLAINTIFF

Judgment is Given in J. H. Martin's Suit Against the United Power Company.

Lisbon, May 5.—(Special).—The damage case of Joseph H. Martin, of East Liverpool, against the United Power company having been submitted on pleadings and evidence, judgment has been rendered for the plaintiff for \$486.25.

Two Cases Disposed of.

Lisbon, May 5.—(Special).—The case of C. E. Richardson vs. M. P. Springer et al, administrators, has been dismissed at the plaintiff's cost, on his motion without prejudice. The case of John W. Yates vs. the Geiser Manufacturing company has been settled.

WANTS POLICE AID TO FIND HUSBAND

An East End Woman Tells a Pathetic Tale at the Mayor's Office.

IN DEBT AND IN TROUBLE

To elicit aid in locating her husband, who disappeared from home nearly four weeks ago and from whom not one word of news has been received, Mrs. Charles Zeigler, of First avenue, East End, appeared at the mayor's office yesterday afternoon. The story of the poor woman was attentively listened to and Chief Wyman promised to do all within his power to assist her.

Mrs. Zeigler was accompanied by another woman, who, it seems, has a mortgage on the property in which the Zeigler family live. The fact that she was being pressed to make payments that are long past due made Mrs. Zeigler anxious to find her husband. The house cost them about \$300 and only half of the amount has been paid. Having a family of three children to support by her meager earnings gained through taking in washing the woman has found it impossible to meet the payments.

Zeigler has not worked any for months. When he left home more than three weeks ago he told his wife that he intended hunting a job and that he would write her in a few days. As he has failed to send her any word she fears that he has either cruelly deserted her or has met with some serious mishap. The family moved to this city two years ago from Mountsboro, Va., where Zeigler worked in a glass factory. The wife thought perhaps he had returned there, but telephonic communication with officials of the company was to the effect that he had not even applied for work.

The woman is almost distracted over her condition and made an earnest appeal for help. The chief will write letters to a number of addresses in an attempt to locate the man. For the purpose of helping her in paying a little on the debt, Mrs. Zeigler asked the township trustees to supply her with some groceries, but in such cases they have no authority, and she was refused.

All the home news in this paper.

IMPORTANT ISSUES FOR LABOR UNIONS

Questions of Moment Are Being Discussed by the Local Trades Council.

THE PLANS FOR LABOR DAY

The representatives of the local trades unions going to make up the membership of the Trades and Labor Council in this city have decided to adopt the policy suggested in the old saying, "In time of peace, prepare for war." A large number of questions which will demand attention at some future time are being taken up in turn, and will probably be disposed of now while there is nothing to agitate the labor situation locally.

The attendance at the regular meeting last night was very good; in fact, better than for weeks, and the members were encouraged to think the movement had undergone a revival of interest. Four new delegates were seated as follows: Robert Bevington, Harry Epley, George Keegan, F. B. Larkins.

The fight being waged against the Washburn-Crosby Milling company and the Rochester Clothing exchange has reached such proportions that the officials of the American Federation of Labor have taken them up. In a communication to the council President Samuel Gompers informed the body that the movements against both concerns have been endorsed by the American Federation of Labor, and urged that the fight be taken up in every locality in the country. The union label committee has the matter in hand as far as East Liverpool is concerned, and nothing will be left undone to gain recognition for the millers and the United Garment Workers. The headquarters' officers of the Amalgamated Wood Workers forwarded a charter blank and other information, asking that a local of that organization be formed here. The movement inaugurated by the Central Labor union of the District of Columbia against the "open shop," was outlined in a communication from that body, and after some discussion was referred to a committee consisting of

TRACK MUST BE REMOVED AT ONCE

DISPUTE OVER WELLSVILLE BELT LINE RAILROAD.

Daniel T. Lawson in Action Against the Company States His Position.

Lisbon, May 5.—(Special).—The case of Daniel T. Lawson vs. the Pennsylvania company was called for trial yesterday and the attorneys for the plaintiff advised the court that the defendants were in contempt of court by placing their track on the premises while an injunction was in force against them to restrain them from doing so.

The plaintiff maintains that the court should not permit the defendants to make any defense until the track is removed. This the defendants agreed to do today and if this is done the case will be tried next Tuesday at 6:30 o'clock.

In this action the plaintiff maintained that the courts have twice decided that he is owner of the property at Third street and Broadway, Wellsville, although it appears in the record in his wife's name, and that although the railroad company knew this, it ignored his claim and undertook to buy the property from C. C. Lawson and take a deed from his wife. Mr. Lawson maintains that the money should be paid to him or to the court for the court to decide to whom it belongs.

WABASH PRESIDENT VISITS LISBON

Making a Tour of the Company's Holdings in This Part of Ohio.

Lisbon, May 5.—(Special).—President Joseph Ramsay, of the Wabash and Wheeling & Lake Erie railroad systems, who, with a party of railroad men, is making a tour of inspection of his company's holdings in this vicinity, arrived here during the noon hour today on the Erie train from the north and at once took a special over the P. L. & W. for New Galilee, Pa. The party was accompanied from here by Judge N. B. Billingsley, president of the P. L. & W. Other members of the party were Robert Blickensderfer, general manager of the W. & L. E., and W. S. Newhall.

A NEW STATUTE AS TO AUTO SPEED

State Law Renders City Ordinance Unnecessary and Invalid.

LIMITS ON FAST RUNNING

Since the publication in last evening's issue of the News Review to the effect that the mayor proposes to enforce the ordinance recently passed to regulate the speed of automobiles and other vehicles drawn or propelled by motive power, the owners of such vehicles have been much agitated, and one of them produced a copy of the state law this morning which, it seems, makes the local measure invalid.

The bill was passed at Columbus on April 23, and provides that automobiles cannot be operated at a greater speed than eight miles an hour in the business and closely built up portions of any municipality in the state, and that they cannot be run more than 15 miles an hour in other portions, nor more than 20 miles an hour outside of such municipalities. The law also says that the rates of speed shall not be diminished by any ordinance, rule or regulation of any municipality, board or other public authority.

The local automobilists claim that they will operate their cars according to the state law and that the city ordinance will not worry them. It is held that the eight miles an hour provision will hold good only on Market street east and west; Fifth street, from Market to Washington or possibly Broadway; the Diamond; Sixth street from the Diamond to Broadway. These streets are business districts and closely built up.

It has never been the wish of the chauffeur to go swiftly along those thoroughfares, but they do want to speed on Fifth and Fourth streets and they believe they will be backed by the state law in doing so.

PARTIALLY RECOVERED FROM HIS INJURIES

Man Reported Dead of Hydrophobia Is Living, But a Cripple.

Robert Donaldson, known by nearly every one in the city by the name of "Bobbie 92," who was bitten on the arm more than eight months ago by a mad dog and who was reported dead in a Wheeling hospital several times, arrived home yesterday. The arm that was bitten is absolutely helpless, and it is likely that he will have it amputated.

Donaldson is a piano player, but will never be able to perform on his favorite instrument again. For a livelihood he will sell fancy articles, and no doubt will prosper, if the people generally understand his true condition.

The same dog that bit Donaldson once grabbed Officer McDermott by the trousers and the policeman after hearing of Donaldson's fate was frightened for quite a spell. The dog died of rabies.

RUMORS CURRENT OF FIERCE BATTLE

Thousands Said to Have Been Lost Both by Russians and Japs.

THE DETAILS ARE LACKING

St. Petersburg, May 5.—(Special.)—Rumors are current here that a second battle has been fought between the Russian and Japanese troops. The engagement is said to have taken place at Kinlien. The Japanese troops, after severe fighting, were compelled to retreat, leaving many dead and injured. From the number of dead given it appears that the reported engagement must have been the most important on land during the war. The report is that the Russian dead, injured and missing will reach 7,000. The Japanese loss is placed at 10,000.

The Japanese, it is reported, were driven from the battle field in disorder. The reports are so far unconfirmed.

St. Petersburg, May 5.—(Special.)—Persistent rumors reach here of another naval engagement between the Vladivostok fleet with the Japanese squadron under Kamimuras. There are no details and the reports have not been confirmed.

London, May 5.—(Special.)—A Tokio dispatch says that after sinking the steamers at the mouth of the harbor the Japanese fleet on Tuesday and Wednesday bombarded Port Arthur.

SANITARY POLICEMAN HAS HIS TROUBLES

Meets With Open Defiance Daily, But Proposes to Enforce the Law.

Sanitary Policeman Burgess is having his troubles now a days. In carrying out the rules of the board of health he is compelled to keep a close watch on the vaults in all sections of the city, and it is his duty to have them cleaned when they are filled to a certain depth. For some reason it is a hard matter to convince the people that they must obey the command of the officer when he orders them to comply with the rules as they pertain to this subject.

He is openly defied nearly every day, but he has concluded to enforce the rules and do his duty at any cost. Those failing to respect his orders will be dealt with according to law.

ASKS \$25,000 FOR BROKEN LEGS

UNITY TOWNSHIP MINER BRINGS BIG DAMAGE SUIT.

Negligence Is Alleged in Failure Properly to Look After Safety of Workmen.

Lisbon, May 5.—(Special.)—William Perslenic, of Unity township, has filed suit against the National Fire Proofing company which operates the State Line coal mines, near East Palestine, asking \$25,000 damages for injuries received in the company's mines. The accident occurred September 2, 1903, when a fall of slate broke both his legs, crushed his right hip and injured his spine so that partial paralysis of the lower limbs resulted. He says he is totally disabled to earn a living and is a permanent sufferer.

The plaintiff alleges that for some days prior to the accident he and other employees of the company, frequently requested the men in charge of the mines to supply them with posts for roof supports. Relying on the promise that they would be furnished when necessary he continued work until the accident. Negligence is alleged in that the company should have known of the defective condition of the mine roof, and that it had means of knowing.

The petition was filed by W. S. Anderson and Nevin & Bye, of Youngstown, and on motion of the defendant's attorneys, Billingsley, Clark & De Ford, the case has been transferred to the United States circuit court at Cleveland.

FOR THE PLAINTIFF

Judgment is Given in J. H. Martin's Suit Against the United Power Company.

Lisbon, May 5.—(Special.)—The damage case of Joseph H. Martin, of East Liverpool, against the United Power company having been submitted on pleadings and evidence, judgment has been rendered for the plaintiff for \$486.25.

Two Cases Disposed of.

Lisbon, May 5.—(Special.)—The case of C. E. Richardson vs. M. P. Springer et al, administrators, has been dismissed at the plaintiff's cost, on his motion without prejudice. The case of John W. Yates vs. the Geiser Manufacturing company has been settled.

WANTS POLICE AID TO FIND HUSBAND

An East End Woman Tells a Pathetic Tale at the Mayor's Office.

IN DEBT AND IN TROUBLE

To elicit aid in locating her husband, who disappeared from home nearly four weeks ago and from whom not one word of news has been received, Mrs. Charles Zeigler, of First avenue, East End, appeared at the mayor's office yesterday afternoon. The story of the poor woman was attentively listened to and Chief Wyman promised to do all within his power to assist her.

Mrs. Zeigler was accompanied by another woman, who, it seems, has a mortgage on the property in which the Zeigler family live. The fact that she was being pressed to make payments that are long past due made Mrs. Zeigler anxious to find her husband. The house cost them about \$300 and only half of the amount has been paid. Having a family of three children to support by her meager earnings gained through taking in washing the woman has found it impossible to meet the payments.

Zeigler has not worked any for months. When he left home more than three weeks ago he told his wife that he intended hunting a job and that he would write her in a few days. As he has failed to send her any word she fears that he has either cruelly deserted her or has met with some serious mishap. The family moved to this city two years ago from Mountsboro, Va., where Zeigler worked in a glass factory. The wife thought perhaps he had returned there, but telephonic communication with officials of the company was to the effect that he had not even applied for work.

The woman is almost distracted over her condition and made an earnest appeal for help. The chief will write letters to a number of addresses in an attempt to locate the man. For the purpose of helping her in paying a little on the debt, Mrs. Zeigler asked the township trustees to supply her with some groceries, but in such cases they have no authority, and she was refused.

All the home news in this paper.

Among the Potteries and Allied Industries

WAITING ON ESTIMATES.

Vice President Fowler, of the Union Pottery company, was here yesterday in consultation with Manager Joseph Manor, and left for Pittsburgh in the evening. As has been previously stated the company has planned to erect an additional kiln and improve the Union plant here in order to carry on the business. This work may be done unless the cost proves excessive and unless it is the plant will probably remain idle. It has been demonstrated that it cannot be profitably operated in the present shape, owing to the poor arrangement of the different departments and with but two glaze kilns to two bisques. Manager Manor stated yesterday that negotiations had been opened for the installation of the sprinkler system at the plant and until

the figures are furnished by the sprinkler company no other contracts will be made. Several decalcomania crews are working in the decorating department at the Union and orders are being filled from the stock.

PROJECT DROPPED.

It is not likely that New Cumberland will ever have another pottery plant. The Union Pottery company, whose plant there was destroyed by fire, has fully determined not to rebuild and the site will no doubt be disposed of as soon as possible. The movement started among the citizens of the town to organize a pottery company seems to have fallen through, owing to a lack of capital and the unfavorable condition of the trade.

A JONAH ORDER.

That Buffalo cereal order that so much has been said about among local manufacturers has been given to a Sebring and Barborton plant, according to a New York trade paper. The placing of the order has been hanging fire so long that it had become a joke in East Liverpool. Representatives of several local firms visited Buffalo to submit prices, but came home disgusted when they learned the low figure at which it expected to place the order.

FIRM CHANGE.

The Croxall Chemical & Supply company has been organized to take over the business of J. T. Croxall, the potter's chemist and importer, at the corner of Broadway and Fourth street. The new company will assume all contracts and conduct the business much on the same lines as Mr. Croxall. Everything necessary in decorating glass and pottery ware will be carried in stock.

SON IS ILL.

Will Reed, turner at the K. T. & K. china works, has received word that his second oldest son, who is visiting in Colorado, is seriously ill with pneumonia.

POTTERY NOTES.

Will Brooks is helping out in the biscuit crew at McNicol's.

John Ward, fitterman at the Standard, is taking a two weeks' vacation.

Mel Giehrst, plate fitterman at McNicol's, has been sick for several days.

Will O'Donnell, of the warehouse at McNicol's, is working again after an illness of several days.

Fred Foden, straw boy at McNicol's,

was kicked by a horse yesterday afternoon and sustained a painful injury to his thigh.

GROWTH OF THE CITY STRIKINGLY SHOWN

By a Daily Paper Issued Here Only Eighteen Years Ago—A Memorable Trip.

Postmaster W. H. Surles has in his possession a copy of the Evening Review published in this city August 27, 1886, which illustrates more fully than anything that could be cited the wonderful progress made by the city of East Liverpool during the years which have passed since that time.

The old issue is four pages of five columns each and for the size of the paper contains a good lot of live local news. A month previous to the date on which the paper was issued Mr. Surles, who at that time was commander of the local Grand Army post, started with a party of East Liverpool residents on a trip in a special train to the Pacific coast. The paper of August 27 contains a letter from Mr. Surles, giving a graphic and interesting account of the trip. The party was absent for nearly two months, and the journey was a most enjoyable one.

In Mr. Surles' party were a large number of the then prominent residents of the city, among them being Josiah Thompson, John Thompson and Mr. and Mrs. Hickman, all of whom are now dead. Mr. and Mrs. Hickman were the parents of V. Q. Hickman, a prominent capitalist of Pittsburgh.

The paper had a good advertising patronage, containing ads for a number of the old business men of the city, among the number being M. S. Hill, Mr. Hutchison, A. M. Davidson, Ferguson & Hill, D. E. Shoup, "Sebring's Spot Cash Grocery House," and many others. The paper looks odd when compared with the big seven column 12 page issue of the News Review of today.

SUPERINTENDENT.

Man to take charge of pottery, making porcelain insulators. Must be thoroughly versed in pottery manufacture, have had charge of such work and be able to systematize and perfect product, as well as handle me intelligently and justly. Reply, stating age, experience, references, salary expected, etc., to H. C. Wilson, Hapgoods, 309 Broadway, New York city. 107-r

Conviction Through Your Feelings.

Pain will disappear and Rheumatism will be stamped out forever.

If you are subject to Rheumatism, Neuralgia, Lumbago or Sciatica, take it in hand before it gets worse. You cannot afford to be sick, especially as it is unnecessary.

Athlophoros is a positive preventive and remedy for every illness caused by an excess of Uric acid. It is the only remedy which absolutely dissolves the Uric acid and drives it out of the system.

Free yourself from Uric acid and you will have no Rheumatism. No Uric acid—no Rheumatism. You will positively have no pains or twinges—the evidence of your cure.

We can show you how to free yourself for life from Rheumatism. Send four cents in stamps for our book, "Rheumatism—Its Cause and Cure." It will tell you all about it. Athlophoros Co., New Haven, Conn. If your druggist doesn't sell it, let us know.

A Wild Man from Salem Captured After a Struggle Near Kent.

Salem, May 5.—(Special.)—Isalah Davis, a man who has been employed about the Harry Martin saloon in this city until within the past few days, was taken into custody Tuesday afternoon at the Lemmerman farm, near Kent, apparently suffering under a serious attack of dementia. Kent officers communicated with Chief Turner, of the local police force, in regard to the case, and Sheriff Johnson, of Lisbon, will go to Kent and bring Davis back to this county, where an inquest in lunacy will be held. Davis, who is a man about 35 years of age, is said to have been addicted

to the drink habit, and it is thought that this has resulted in delirium or insanity. He has been missing from the city for the past few days, but it was not known where he had gone.

The Kent officials identified him by means of a check which he tore up during his ravings. It was on the Farmers' National bank of this city, and was for \$50, given to Isalah Davis by O. C. Martin. It is thought that Davis wrote out the check himself, as there is no C. O. Martin in the city, and the local proprietor denies any knowledge of the check. When arrested at Kent Davis was acting the part of a modern Nebuchadnezzar, eating green grass, muttering incoherently and occasionally emitting wild yells. He was captured after a chase and a struggle, and is in the village jail at Kent.

A Timely Suggestion.

This is the season of the year when the prudent and careful housewife replenishes her supply of Chamberlain's Cough Remedy. It is certain to be needed before the winter is over, and results are much more prompt and satisfactory when it is kept at hand and given as soon as the cold is contracted and before it has become settled in the system. In almost every instance a severe cold may be ward off by taking this remedy freely as soon as the first indication of the cold appears. There is no danger in giving it to children, for it contains no harmful substance. It is pleasant to take—both adults and children like it. Buy it and you will get the best. It always cures. Sold by Alvin H. Bolger.

SIGNAL

Signal, May 5.—Miss Nellie Morlan, who had a stroke of paralysis two weeks ago, is very little better at present.

The assessor has completed his yearly canvass of this neighborhood.

Nora Tullis, of Elkton, has been visiting here for several days.

The Quaker Valley mines, east of here, will be ready to resume operations in a very short time. These mines have been idle for three years.

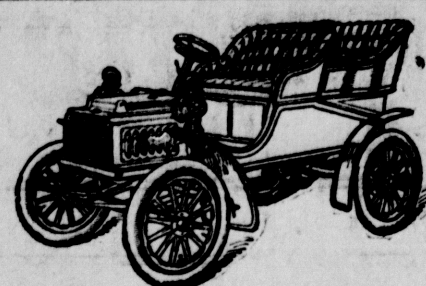

Wilma Dickey is on the sick list. Seven carloads of ship timber were loaded and shipped from here lately.

K. B. Lyder is building a barn. Charles Furhman has returned to his home in Columbiana after spending several weeks here.

Mary McGaffick is ill of heart trouble.

You never heard of any one using Foley's Honey and Tar and not being satisfied.

Sold by Will Reed.

Cured of Backache.

Member of the Business Men's League and one of the best known business men in St. Louis, Mo. Read what Mr. Wand has to say about Dr. Fenner's Kidney and Backache Cure:

"I know what it is to be afflicted with backache and I sympathize with fellow sufferers. After swallowing various and frequent nauseating doses of this and that prescription I decided that if Dr. Fenner's Kidney and Backache Cure could not rid me of those backaches it at least would not do me any harm and I procured a bottle.

"Now the first bottle didn't stop those wearing backaches, but it did afford me great relief. The second bottle, however, did effectually put a stop to those racking backaches. Occasionally they returned when strenuous business affairs exhausted the physical forces, but a dose or two of Dr. Fenner's Cure gave instant relief.

Respectfully,

Thor Wand

CANCER CURED BY LIFE PLANT

While the proprietors of LIFE PLANT have always guaranteed a cure or money refunded, in all cases of Rheumatism, Gout, Stomach and Liver troubles, and all ordinary forms of skin and blood diseases, they have never said that it was a certain cure for Cancer, but that it does cure Cancer is fully established by the following letter:

Gentlemen:—NEW CUMBERLAND, O., Nov. 3, 1908.

Eleven years ago a cancer appeared on my left ear. It was small at first, but as the case with a growth of this kind, it gradually increased in size and severity. One of the cartilages of the ear was entirely eaten away. There was a raw sore on my ear and face as broad as your finger and about two inches long. You can imagine how I suffered.

That eating, gnawing sensation continued without interruption day or night. Occasionally a blood vessel was eaten off and the blood would trickle down my face. For three years I could not be in bed without tying up my face on account of the continued supuration of the wound. My condition was indeed deplorable; a rancorous, loathsome cancer, eating away my life, inch by inch.

I, of course, sought advice from numerous physicians; I called upon physicians of St. Louis and Cleveland and was under treatment by local physicians for a number of years. The last physician to whom I talked told me plainly that I would not live for months unless I submitted to an operation. It was then that the good old Rev. Scott told me he thought that Life Plant would help me.

I immediately began taking Life Plant; I had not taken one bottle until the eating sensation lessened. I stopped all other treatment, and have taken nothing but Life Plant since. I realized that I could not be cured of a disease that had been coming on me for years and had reached the stage of development that my case had, by one or two bottles of Life Plant or any other medicine. I settled down to taking this one remedy, and, while I improved from the very beginning, the cancer was not entirely cured for years.

I began taking Life Plant on or about the 10th day of September, 1897, and now I am 87 years of age, and as well as ever, sound in every particular. There is no more cancer, the sore is entirely healed, and nothing but a scar remains to show that my life was once threatened with a deadly cancer.

Now I want to say that in view of the fact that cancer is one of the most severe and stubborn blood diseases known, and in view of the fact that Life Plant cured me, I firmly believe that Life Plant will cure any disease arising from impure blood if the patient will persist in its use as I did. I have said nothing but the truth, and stand ready to back every word with an affidavit if called upon to do so. Wishing you success, I am sincerely yours, JAMES D. MILLS.

Life Plant is for sale by all Druggists, or will be sent anywhere, charges paid, on receipt of price, \$1. per bottle—six bottles for \$5.

EAST END

ANNIVERSARY PROGRAM WAS VERY INTERESTING

Large Audience Enjoyed Observance of Eighteenth Birthday of the Epworth League.

An entertaining program was rendered at the Erie street Methodist church last night in observance of the eighteenth anniversary of the Epworth League. The church was well filled and those present found much enjoyment in the exercises. The choir and the church orchestra rendered several delightful musical numbers and there was also music by the ladies' quartet. Rev. Dr. Pratt and Mrs. Elizabeth Miller, from the First church, sang a very pleasing duet.

The main address of the evening was made by Rev. Dr. Pratt, his subject being "The Art of Seeing." As usual he was eloquent and the address was greatly enjoyed. W. G. Morris, superintendent of the First Methodist Sunday school, entertained the audience with a very pleasing reading.

Rev. Dr. Lloyd and those who assisted him in arranging the program deserve to be complimented on their success.

Home a Hospital.

The home of Archie Searight on Pennsylvania avenue has become a veritable hospital. Mrs. Searight was taken suddenly ill last evening and for a time her condition was alarming. It is thought that her illness resulted from her fatiguing trip home from California. She is much better today. Her daughter, Mrs. Pearl Martin, has been seriously ill for a week and Mrs. Martin's little daughter has the measles.

Wedded at High Noon.

The wedding of Mrs. Martha Pittinger and D. A. McIntosh was solemnized at high noon today at the home of her daughter, Mrs. White, on St. George street. Rev. D. W. McQuiston performed the ceremony in the presence of a number of relatives and friends. Through an error it was printed that the marriage had been solemnized yesterday.

Repairing the Bridges.

Work was commenced this morning under the direction of Supt. Dickey, of the street department, to repair the First and Virginia avenue bridges, which were badly damaged by the heavy rains early in March. The bridge abutments were so badly washed that no little expense will be incurred in restoring them.

Assessing Personal Property.

John S. Fowler, assessor for the First ward, has started on the work of listing the personal property for tax purposes. The rules governing the assessors are much the same as those last year. Mr. Fowler is making good progress and will not be the last one in the city to file his report.

Taking a Vacation.

Fireman John Spence, one of the guardians of the peace in the East End, is taking a short vacation after long and continuous service. Officer Ruhe, of the central station, has been detailed for duty in the East End during his absence.

Band May Play.

Prof. Noah's band may make its first appearance on Saturday to play at the opening game of the season at Columbian park. The Grays are thinking of having elaborate opening ceremonies, including a street parade, but the matter has not yet been definitely decided.

EAST END AFFAIRS.

George Niswonger moved yesterday from Mulberry street to the house on

Joseph Cardy's
Penna. Ave., East End, Next Bradman's Grocery.

Pennsylvania avenue he purchased a short time ago.

Mrs. Campbell Brown, of Railroad street, has returned from a visit with relatives at Brownsdale, W. Va.

Hugh Laughlin, of Georgetown, was visiting East End friends yesterday.

A daughter has been born to Mr. and Mrs. Arthur White.

Attorney J. E. Davis was at Lisbon yesterday attending to some legal business.

Lee McCormick, of Pennsylvania avenue, is confined to his home with a threatened attack of typhoid fever.

COUNTY AND NEIGHBORHOOD

John Heatherington, of Bellaire, aged 60, a well known river man, is dead.

William Swishard, of Bellaire, for burglary and larceny, got 10 years in the penitentiary.

Mrs. Mary Springborn, aged 95, died at her home near Martin's Ferry.

The Youngstown & Southern railway and the Youngstown city council are at loggerheads about the railroad crossing South avenue in Youngstown.

Justin Didie, an aged farmer, was found dead, face downward in a spring at his home near Mt. Eaton.

The body of Louis Brown, aged 67, drowned at Rochester, Pa., April 1, was found in the Ohio river at Yorkville.

William Vail, a prominent resident of Smithfield, is dead, aged 84.

A Steubenville paper says that W. H. Beebout, an insurance agent of that city, is missing and a constable has taken possession of his effects.

The Weekly Wash Problem

is a big one in every home. Be the wash large or small, it is a weekly matter for consideration. The time and way in which it is done depend on the soap used. EASY TASK is in a class by itself. It cleans everything, from the heaviest rug to the most expensive fabric, thoroughly, easily. It's the solution of the wash day problem—5 cents a bar.

THREE DIE ON GALLOWS.

Atrocious Murder of Aged Tennessee Farmer Legally Avenged.

Nashville, May 5.—From the same scaffold three murderers will take the drop into eternity together at Winchester, Franklin county, Tenn., today. The crime for which Jo Delp, John Evans and Henry Judge will pay the penalty was a particularly atrocious crime.

On Aug. 3, 1903, Delp and Evans called at the home of aged Simon Bucher, in the mountains near Winchester, enticed the old man into his garden and shot him in the back. Leaving him for dead, they returned to the cabin, shot Mrs. Bucher down and set fire to the house.

Next morning a passing horseman discovered the ruins and found Mr. Bucher with enough life in him to make a statement which led to the arrest of Delp and Evans. Their confessions implicated Henry Judge, who they said hired them to do the murders, promising a payment of \$125. Judge's motive, it was alleged, was to get free access to cut timber which stood on lands which Bucher was employed to watch.

STATE OF OHIO, CITY OF TOLEDO, ss.

Cured of Backache.

Member of the Business Men's League and one of the best known business men in St. Louis, Mo. Read what Mr. Wand has to say about Dr. Fenner's Kidney and Backache Cure:

"I know what it is to be afflicted with backache and I sympathize with fellow sufferers. After swallowing various and frequent nauseating doses of this and that prescription I decided that if Dr. Fenner's Kidney and Backache Cure could not rid me of those backaches it at least would not do me any harm and I procured a bottle.

"Now the first bottle didn't stop those wearing backaches, but it did afford me great relief. The second bottle, however, did effectually put a stop to those racking backaches. Occasionally they returned when strenuous business affairs exhausted the physical forces, but a dose or two of Dr. Fenner's Cure gave instant relief.

Respectfully,

CANCER CURED BY LIFE PLANT

While the proprietors of LIFE PLANT have always guaranteed a cure or money refunded, in all cases of Rheumatism, Gout, Stomach and Liver troubles, and all ordinary forms of skin and blood diseases, they have never said that it was a certain cure for Cancer, but that it does cure Cancer is fully established by the following letter:

Gentlemen:—NEW CUMBERLAND, O., Nov. 8, 1908. Eleven years ago a cancer appeared on my left ear. It was small at first, but, as is the case with a growth of this kind, it gradually increased in size and severity. One of the cartilages of the ear was entirely eaten away. There was a raw sore on my ear and face as broad as your finger and about two inches long. You can imagine how I suffered.

That eating, gnawing sensation continued without interruption day or night. Occasionally a blood vessel was eaten off and the blood would trickle down my face. For three years I could not be in bed without tying up my face on account of the continued suppuration of the wound. My condition was indeed deplorable; a rancorous, loathsome cancer, eating away my life, inch by inch.

I, of course, sought advice from numerous physicians; I called upon physicians of St. Louis and Cleveland, and was under treatment by local physicians for a number of years. The last physician I talked to told me plainly that I would not live four months unless I submitted to an operation. It was then that the good old Rev. Scott told me he thought that Life Plant would help me.

I immediately began taking Life Plant; I had not taken one bottle until the eating sensation lessened. I stopped all other treatment, and have taken nothing but Life Plant since.

I realized that I could not be cured of a disease that had been coming on me for years and had reached the stage of development that my case had, by one or two bottles of Life Plant or any other medicine. I settled down to taking this one remedy, and, while I improved from the very beginning, the cancer was not entirely cured for years.

I began taking Life Plant on or about the 10th day of September, 1897, and now I am 87 years of age, and as well as ever, sound in every particular. There is no more cancer, the sore is entirely healed, and nothing but a scar remains to show that my life was once threatened with a deadly cancer.

Now I want to say that in view of the fact that cancer is one of the most severe and stubborn blood diseases known, and in view of the fact that Life Plant cured me, I firmly believe that Life Plant will cure any disease arising from impure blood if the patient will persist in its use as I did. I have said nothing but the truth, and stand ready to back every word with an affidavit if called upon to do so. Wishing you success, I am sincerely yours, JAMES D. MILLS.

Life Plant is for sale by all Druggists, or will be sent anywhere, charges paid, on receipt of price, \$1 per bottle—six bottles for \$5.

EAST END

ANNIVERSARY PROGRAM WAS VERY INTERESTING

Large Audience Enjoyed Observance of Eighteenth Birthday of the Epworth League.

An entertaining program was rendered at the Erie street Methodist church last night in observance of the eighteenth anniversary of the Epworth League. The church was well filled and those present found much enjoyment in the exercises. The choir and the church orchestra rendered several delightful musical numbers and there was also music by the ladies' quartet. Rev. Dr. Pratt and Mrs. Elizabeth Miller, from the First church, sang a very pleasing duet.

The main address of the evening was made by Rev. Dr. Pratt, his subject being "The Art of Seeing." As usual he was eloquent and the address was greatly enjoyed. W. G. Morris, superintendent of the First Methodist Sunday school, entertained the audience with a very pleasing reading.

Rev. Dr. Lloyd and those who assisted him in arranging the program deserve to be complimented on their success.

Home a Hospital.

The home of Archie Seagrigh on Pennsylvania avenue has become a veritable hospital. Mrs. Seagrigh was taken suddenly ill last evening and for a time her condition was alarming. It is thought that her illness resulted from her fatiguing trip home from California. She is much better today. Her daughter, Mrs. Pearl Martin, has been seriously ill for a week and Mrs. Martin's little daughter has the measles.

Wedded at High Noon.

The wedding of Mrs. Martha Pittinger and D. A. McIntosh was solemnized at high noon today at the home of her daughter, Mrs. White, on St. George street. Rev. D. W. McQuiston performed the ceremony in the presence of a number of relatives and friends. Through an error it was printed that the marriage had been solemnized yesterday.

Repairing the Bridges.

Work was commenced this morning under the direction of Supt. Dickey, of the street department, to repair the First and Virginia avenue bridges, which were badly damaged by the heavy rains early in March. The bridge abutments were so badly washed that no little expense will be incurred in restoring them.

Assessing Personal Property.

John S. Fowler, assessor for the First ward, has started on the work of listing the personal property for tax purposes. The rules governing the assessors are much the same as those last year. Mr. Fowler is making good progress and will not be the last one in the city to file his report.

Taking a Vacation.

Fireman John Spence, one of the guardians of the peace in the East End, is taking a short vacation after long and continuous service. Officer Ruhe, of the central station, has been detailed for duty in the East End during his absence.

Band May Play.

Prof. Noah's band may make its first appearance on Saturday to play at the opening game of the season at Columbian park. The Grays are thinking of having elaborate opening ceremonies, including a street parade, but the matter has not yet been definitely decided.

EAST END AFFAIRS.

George Niswonger moved yesterday from Mulberry street to the house on

REPUBLICAN DISTRICT AND COUNTY TICKET.

For Congress—James Kennedy.

For Judge of Circuit Court—Peter A. Leible.

For Common Pleas Judge—W. W. Hole.

For Auditor—Galen A. Sheets.

For Commissioner—Eden Reeder.

For Infirmary Director—George W. Armstrong.

President Cleveland in his second term paid nothing on the sinking fund and had a deficit of \$154,000,000 in the excess of expenditures over receipts. It does not lie in the mouth of any supporter or defender of that administration to object to the prospect that payments on the sinking fund will be suspended in the next fiscal year, says the Philadelphia Press. In President Cleveland's term there were no extra expenditures. No new navy was building. No Panama canal was being paid for. All that took place was that, first, the shadow of a free trade administration and of the free silver movement reduced revenue, and next, the Democratic congress refused to impose taxes sufficient to meet public needs.

President Roosevelt wants a Republican platform this year that will be short and concise and which shall mean exactly what it says. The party will heartily endorse this sort of a declaration. On the other hand, the Democracy is casting about for political utterances that shall say just as little as possible and alienate none of the antagonistic elements that go to make up a non-descript whole. The task is by no means easy, and it is no wonder that Mr. Bryan's \$100 prize offer still goes unclaimed and uncontested for.

The opening of the baseball season locally, like the coming of spring, is somewhat belated; nevertheless it will be hailed with delight and satisfaction by the fans. East Liverpool has developed a lot of baseball talent, much of which is now scattered over the country, and still has a good deal left at home. A liberal patronage is assured if a passably good article of baseball is played on the home grounds and there is no reason why we cannot have that.

While there has been for a month or more a heavy shipment of gold from New York to Europe, to pay the forty million dollars to the Panama Canal company for its isthmian possessions, there has been a steady influx of the precious metal through our Pacific ports. This gold comes from Japan, in payment for provisions and military supplies.

The Panama canal deal is complete and a lot of business interests are earnestly wishing that the canal were in the same condition.

Arbitration by treaty rather than by the sword is the gospel that Andrew Carnegie wants to see preached.

No Gripe, Pain

Or discomfort, no irritation of the intestines—but gentle, prompt, thorough cleansing, when you take

Hood's Pills

and practiced by English speaking nations. But why limit it to those who talk English? Russia and Japan are quite likely to be in a mood for listening after they get through with their present costly undertaking.

The man to head the Republican committee in the approaching campaign has not been selected yet, a fact which seems to worry the Democrats. The right man will be found, without a doubt, and our friends the enemy will then have a great deal more cause for anxiety and uneasiness.

The Democrats of the county in which Lincoln, Neb., is embraced resolve to stand by the Kansas City platform. This is the only triumph by W. J. Bryan recorded thus far in this presidential year. As the district will go for Roosevelt, Willie's victory is not of monumental importance.

Two West Virginia farmers engaged in a quarrel about a dog, fired 18 shots and mortally wounded each other. The value of the dog was probably less than that of the powder wasted.

The spectacle of Grover Cleveland as chief apologist for his own administration is more interesting than edifying.

Considering the backwardness of spring, business conditions are all that could be expected.

Pittsburg baseball writers have ceased trying to explain.

OBITUARY

John M. Johnson.

Lisbon, May 5.—(Special.)—John M. Johnson, one of the best known men in Columbiana county, died at his home in Elkrun township last night after a brief illness of pneumonia and kidney trouble. His condition became serious only Sunday morning. He was born on the farm in Elkrun township where he died. He was about 64 years old. He was a son of Robert Johnson and his parents are both dead. He was the last of six children. Over 30 years ago he married Miss Hannah Stoll, of this vicinity, who survives him with three daughters and one son, Mrs. Arthur Albright and Mrs. William Barlow, of Lisbon, Miss Emma and Frank at home.

Mr. Johnson, as a member of Co. K, 104th O. V. I., saw severe service in the civil war, enlisting in August, 1862, under Capt. William J. Jordan and serving until June 17, 1865. He was made corporal immediately after enlistment, promoted to sergeant January 15, 1864, and was a color bearer in many important engagements, including the battles of Sherman's march to the sea. He was a member of Starr post, G. A. R., Lisbon. Mr. Johnson was well known throughout the county as a Republican leader in Elkrun township and once was a candidate for nomination as county recorder. At the Republican convention here some time ago he was chairman of the committee on permanent organization.

Mrs. Albert Lawton.

Mrs. Mary Jane Lawton, wife of Albert Lawton, of East Spring street, died this morning of lockjaw, at 3:57 o'clock, after an illness of about a week. Mrs. Lawton was born in West Bromwich, England, 32 years ago, and had resided in this country about 15 years, for the last 11 years being a resident of this city. She was a member of St. Stephen's Episcopal church. She was married first to James Podmore, who was accidentally drowned in the Ohio river 11 years ago the coming July. She is survived by two children, one by the first husband, Florence May Podmore and Mary Helen Lawton. The funeral will take place on Saturday. Arrangements to be announced later.

Mrs. Delilah Koch.

Mrs. Delilah Koch, aged 74, died of paralysis, after suffering for six time, last evening. The funeral services, at her home at East Palestine, will be held at the late home at 1 o'clock tomorrow afternoon, interment being made in the East Palestine cemetery. Mrs. Koch was a member of one of the oldest families in

Ohio, her grandfather being one of the first settlers in Mahoning county. She was born eight miles south of Youngstown, and for the past 60 years has been a member of the Lutheran church. She is survived by the following children: Mrs. F. K. Hutchison, of Wellsville; Mrs. Hugh Laughlin, Mrs. George Brown, Mrs. Belle Ossmann, Miss Clara Koch and W. M. Koch, station agent, all of East Palestine.

FRIENDS AND VISITORS

S. J. Crawford was a Pittsburg business visitor today.

D. M. McLane went to McKeesport today on business.

Charles Brown is ill of fever at his home near Oakland switch.

Mrs. Charles Cooper, of Mt. Vernon, is visiting Mrs. C. C. Thompson.

The infant child of R. W. Lemmon, of Lincoln avenue, is very seriously ill.

Nick Muessig left this morning for a trip to Sebring, Salem and East Palestine.

Albert, the little son of Mr. and Mrs. Al' Crider, residing at Grandview, is dangerously ill.

Grandma Hughes is seriously ill at her home on Calcutta street as a result of an attack of grip.

John Langenbacher, Sr., who has been ill for a couple of months, is again able to resume his work.

Mrs. Gus Martin, living west of town, is confined to her home with a threatened attack of typhoid fever.

George McClintock, proprietor of the Arcade, was called to his old home in Carrollton yesterday by the illness of his mother.

Fred Turnbull is at Cleveland to attend the graduating exercises of a medical school, at which his wife is to receive a doctor's degree.

James McClellan is quite ill at his home on Jackson square with typhoid fever.

Mrs. Andrew Ward and son, of East Palestine, are guests at the home of Mrs. Ward's parents, Mr. and Mrs. G. W. Menough.

George Shaw, an aged and respected potter, is very much enfeebled by lung trouble, from which he has been suffering for several years.

Mrs. Paul Cooper and daughter Catherine, of Toronto, are spending a few days at the home of Dr. J. T. Elliott, on Market street.

BRIGHT'S DISEASE AND DIABETES NEWS

Law Offices of Henley & Costello. San Francisco, April 28, 1904. To the Legal Profession of East Liverpool:

I was a witness to the following: About 2 years ago Prof. Yost, of Palo Alto who was in an extreme condition due to advanced Bright's Disease, came to my office. He was attended by a physician, who was himself a victim of Diabetes. The object of the visit was to meet a prominent business man who had for months been investigating an alleged cure for Bright's Disease and Diabetes, and hear his verdict. He declared that the claims were fully proven and that the cure had been discovered. Both Prof. Yost and his physician at once adopted the treatment. Within six months both were so well and along towards recovery that they considered themselves beyond danger and at this date neither Bright's Disease nor Diabetes held any terrors for them, and the physician is successfully using the treatment in his practice.

Learning that my old law partner, Judge R. R. Bigelow, for many years Chief Justice of the State of Nevada, had Bright's Disease and that though he had had four or five of our best physicians, yet that he had had to give up practice and was in a serious condition, I lost no time in telling him of the above. It resulted in his complete recovery and he is again back to active practice. As to the curability of chronic Bright's Disease and Diabetes I have no more doubt about it than that I am living.

Sincerely yours,
BARCLAY HENLEY.

Look Pleasant Please!

change and a number of valuable papers and then made their escape. The discovery was made when the proprietor opened the store for business.

The robbers left evidences that they were familiar with their practice. Tools for forcing an entrance were secured at the Kemp blacksmith shop, a block south of the Potts store. An entrance was forced to the Kemp place also. The knob on the door of the safe in the Potts establishment was hammered off and from appearances this morning nitro-glycerin was poured into a crevice, as the door in some manner had been blown open.

Baseball season opens tomorrow. Clothcraft opened the season with the swellest suits at Joseph Bros. \$10 and up.

Foley's Honey and Tar contains no opiates and can safely be given to children.

Sold by Will Reed.

Baseball uniforms tomorrow will be just as attractive as Clothcraft clothes in Joseph Bros. show window.

PAUL GILMORE

THE MUMMY AND THE HUMMING BIRD

SCENE FROM ACT - 3 -

Duluth, Minn., News Tribune: "Paul Gilmore in 'The Mummy and the Humming Bird' at the Lyceum last night scored a decided success with this delightful comedy. Mr. Henderson, the author of the play, gives the social problem rather a unique touch and in Lord Lumley brings forth a character that cannot but be admired by all the audience. Step by step he takes the Humming Bird back over the trail of devastation he has tried to accomplish. The Mummy has become

wide-awake and the so-styled man of the world does not recognize his own seductive song as the husband slowly unravels the mesh of circumstances with which he has entangled the young wife." At the Grand tomorrow night.

"The 'S. R. O.' sign was displayed at the opera house last night. Every seat was taken and people stood around the walls to witness the prettiest amateur production ever staged in LaFayette, Ind., says the Morning Journal, of La Fayette, Ind., speaking of 'Egypta'.

BOWLERS FORM

STATE LEAGUE

Ohio Association Formally Launched at a Meeting Held in Columbus.

Columbus, May 5.—(Special.)—The Ohio State Bowling association was officially launched yesterday at a meeting at the Eureka alleys of the bowlers of the state, gathered here for the first state tournament.

The meeting was called to order by President George J. Karb, of the Columbus Bowling association, and Jack Reed acted as temporary secretary. A constitution and bylaws was first adopted, following the lines of the American bowling congress. All bowlers of the state, whether members of a city association or not are eligible to membership and can participate in the state tournaments.

President, William A. Barron, Akron; first vice president, Jack Reed, Columbus; second vice president, Thomas H. Collins, Cincinnati; third vice president, E. H. Thompson, Youngstown; secretary, Percie G. Hills, Cleveland; treasurer, Sam Karpf, Dayton; executive committee, Sherman Gibson, Sandusky; F. C. McGaughey, Gallon; Charles Ozier, Mansfield; B. M. Frees, Akron; J. W. McCormick, Toledo; Milton Reed, Lima; T. C. Fowler, Zanesville.

The next tournament will be held at Akron, beginning April 17, 1905.

The road to beauty, like the way to a man's heart, is through his stomach. If your stomach's bad, you can't be handsome. Hollister's Rocky Mountain Tea cures all stomach troubles. 35 cents. C. F. Craig.

Baseball fans will get excited tomorrow because Clothcraft clothes will be over the plate. \$10 and upwards, with Joseph Bros.

REPUBLICAN DISTRICT AND COUNTY TICKET.

For Congress—James Kennedy.
For Judge of Circuit Court—Peter A. Lambie.
For Common Pleas Judge—W. W. Hole.
For Auditor—Galen A. Sheets.
For Commissioner—Eden Reeder.
For Infirmary Director—George W. Armstrong.

President Cleveland in his second term paid nothing on the sinking fund and had a deficit of \$154,000,000 in the excess of expenditures over receipts. It does not lie in the mouth of any supporter or defender of that administration to object to the prospect that payments on the sinking fund will be suspended in the next fiscal year, says the Philadelphia Press. In President Cleveland's term there were no extra expenditures. No new navy was building. No Panama canal was being paid for. All that took place was that, first, the shadow of a free trade administration and of the free silver movement reduced revenue, and next, the Democratic congress refused to impose taxes sufficient to meet public needs.

President Roosevelt wants a Republican platform this year that will be short and concise and which shall mean exactly what it says. The party will heartily endorse this sort of a declaration. On the other hand, the Democracy is casting about for political utterances that shall say just as little as possible and alienate none of the antagonistic elements that go to make up a non-descript whole. The task is by no means easy, and it is no wonder that Mr. Bryan's \$100 prize offer still goes unclaimed and uncontested for.

The opening of the baseball season locally, like the coming of spring, is somewhat belated; nevertheless it will be hailed with delight and satisfaction by the fans. East Liverpool has developed a lot of baseball talent, much of which is now scattered over the country, and still has a good deal left at home. A liberal patronage is assured if a passably good article of baseball is played on the home grounds and there is no reason why we cannot have that.

While there has been for a month or more a heavy shipment of gold from New York to Europe, to pay the forty million dollars to the Panama Canal company for its isthmian possessions, there has been a steady influx of the precious metal through our Pacific ports. This gold comes from Japan, in payment for provisions and military supplies.

The Panama canal deal is complete and a lot of business interests are earnestly wishing that the canal were in the same condition.

Arbitration by treaty rather than by the sword is the gospel that Andrew Carnegie wants to see preached.

No Gripe, Pain

Or discomfort, no irritation of the intestines—but gentle, prompt, thorough healthful cleansing, when you take

Hood's Pills

Sold by all druggists. 25 cents

and practiced by English speaking nations. But why limit it to those who talk English? Russia and Japan are quite likely to be in a mood for listening after they get through with their present costly undertaking.

The man to head the Republican committee in the approaching campaign has not been selected yet, a fact which seems to worry the Democrats. The right man will be found, without a doubt, and our friends the enemy will then have a great deal more cause for anxiety and uneasiness.

The Democrats of the county in which Lincoln, Neb., is embraced resolve to stand by the Kansas City platform. This is the only triumph by W. J. Bryan recorded thus far in this presidential year. As the district will go for Roosevelt, Willie's victory is not of monumental importance.

Two West Virginia farmers engaged in a quarrel about a dog, fired 18 shots and mortally wounded each other. The value of the dog was probably less than that of the powder wasted.

The spectacle of Grover Cleveland as chief apologist for his own administration is more interesting than edifying.

Considering the backwardness of spring, business conditions are all that could be expected.

Pittsburg baseball writers have ceased trying to explain.

OBITUARY

John M. Johnson.
Lisbon, May 5.—(Special.)—John M. Johnson, one of the best known men in Columbiana county, died at his home in Elkrum township last night after a brief illness of pneumonia and kidney trouble. His condition became serious only Sunday morning. He was born on the farm in Elkrum township where he died. He was about 64 years old. He was a son of Robert Johnson and his parents are both dead. He was the last of six children. Over 30 years ago he married Miss Hannah Stoll, of this vicinity, who survives him with three daughters and one son, Mrs. Arthur Albright and Mrs. William Barlow, of Lisbon, Miss Effie and Frank at home.

Mr. Johnson, as a member of Co. K, 104th O. V. I., saw severe service in the civil war, enlisting in August, 1862, under Capt. William J. Jordan and serving until June 17, 1865. He was made corporal immediately after enlistment, promoted to sergeant January 15, 1864, and was a color bearer in many important engagements, including the battles of Sherman's march to the sea. He was a member of Starr post, G. A. R., Lisbon. Mr. Johnson was well known throughout the county as a Republican leader in Elkrum township and once was a candidate for nomination as county recorder. At the Republican convention here some time ago he was chairman of the committee on permanent organization.

Mrs. Albert Lawton.
Mrs. Mary Jane Lawton, wife of Albert Lawton, of East Spring street, died this morning of lockjaw, at 3:57 o'clock, after an illness of about a week. Mrs. Lawton was born in West Bromwich, England, 32 years ago, and had resided in this country about 15 years, for the last 11 years being a resident of this city. She was a member of St. Stephen's Episcopal church. She was married first to James Podmore, who was accidentally drowned in the Ohio river 11 years ago the coming July. She is survived by two children, one by the first husband, Florence May Podmore and Mary Helen Lawton. The funeral will take place on Saturday. Arrangements to be announced later.

Mrs. Delilah Koch.
Mrs. Delilah Koch, aged 74, died of paralysis, after suffering for six time, last evening. The funeral services will be held at the late home at 1 o'clock tomorrow afternoon, interment being made in the East Palestine cemetery. Mrs. Koch was a member of one of the oldest families in

Ohio, her grandfather being one of the first settlers in Mahoning county. She was born eight miles south of Youngstown, and for the past 60 years has been a member of the Lutheran church. She is survived by the following children: Mrs. F. K. Hutchison, of Wellsville; Mrs. Hugh Laughlin, Mrs. George Brown, Mrs. Belle Osmann, Miss Clara Koch and W. M. Koch, station agent, all of East Palestine.

IMPORTANT ISSUES

Continued from First Page.

ing of F. B. Martindale, William Cope and Frank Martin.

President William Pittinger, upon being installed at the last meeting, made the very wise suggestion that the union label committee, which is one of the most important in the council, be enlarged so as to include representation by some of the lady delegates. There are questions in connection with the duties of the label committee which often make it embarrassing for the male members to look after. Besides the very best and most active workers in the labor movement are found in the ranks of the unions composed entirely or in part of ladies. A resolution permitted the enlargement of the committee, and President Pittinger added the names of Mrs. Mary J. Brannon, Miss Belle Esterday and Miss Anna McKenna to the committee.

The naming of the general arrangements committee for Labor day was deferred at the last meeting, and President Pittinger announced the names last night as follows: Thomas Woods, Thomas Hodge, Thomas Daugherty, Frank Martin, Thomas Donehoo, A. E. Bertele, J. E. Anderson, Edward O'Neal and James Ford. Though the date for the observance of Labor day is yet a long way off President Pittinger and other members of the council have determined to take up a few matters which are usually left off until the very last minute. In former years difficulty has been encountered in inducing members of the American Federation of Musicians to affiliate with their respective trades union, and on this occasion the tangle will be straightened out early in order that it shall not interfere with the attendance or complete success of the Labor day celebration.

Two East End firms, Martin & Harger and a contractor named McElhaney were reported to the council by the painters, and a request made that the latter union be given assistance in inducing the concerns to employ union men. The grievance committee will act with the painters.

Judgment for Plaintiff.

Lisbon, May 5.—(Special.)—In the

THIS OUGHT TO CONVINCE

Will Reed Will Pay For Hyomei Himself When It Fails to Cure Catarrh.

"If I only knew it to be true, I would not hesitate a moment." This is a thought the average person has when reading the claims of some of the medicines that are advertised as cures for catarrh.

The results from the use of Hyomei are so remarkable in the cure of catarrh, that they seem beyond belief. The fact, though, that Will Reed, one of the best known druggists in this section, has so much confidence in the power of Hyomei to cure catarrh that he sells it under his personal guarantee to refund the money if the purchasers can say that it did not help them, ought to convince the most skeptical that Hyomei can be relied upon to cure all catarrhal troubles, no matter how serious or deep-seated.

The complete Hyomei outfit, consisting of a neat inhaler that can be carried in the purse or pocket, a medicine dropper, and a bottle of Hyomei costs only one dollar. Additional bottles of Hyomei can be procured for fifty cents, making it the most economical of treatments.

Catarrhal colds, which are so common at this season of the year, have been cured in a day. Mild cases of catarrh that have become chronic are frequently cured in a week or ten days. Now is the time to begin the use of Hyomei, remembering that Will Reed sells every package on a positive guarantee to refund the money if it fails to cure.

CASE TO BE CARRIED

Continued from First Page.

case of Mathias Glaser, of Wellsville, vs. the Pennsylvania company, in which a claim of \$80 was involved, and which was set for trial yesterday, judgment was rendered on the pleadings for the plaintiff.

CASE TO BE CARRIED TO SUPREME COURT

SUIT AGAINST TELEPHONE COMPANY TO BE PUSHED.

Salem City is the Plaintiff and Columbiana County Telephone Company the Defendant.

Lisbon, May 5.—(Special.)—City Solicitor L. P. Metzger, of Salem, was here yesterday afternoon, preparing the transcript in the case of Farmer & Getz and the city of Salem against the Columbiana County Telephone company, which will be carried up on error to the supreme court of Ohio.

In common pleas and circuit courts it was held that the city had no right to make an agreement with the telephone company as to what rates the company shall charge for service, the suit having been brought to enforce the city's alleged rights under the franchise ordinance. In circuit court, however, the decision was the preponderating opinion of a divided court. Judge P. A. Laubie giving a strong dissenting opinion.

A SPECIAL TRAIN FOR THE KNIGHTS

Columbians From This City and Wellsville Will Go to Dennison on Sunday.

Members of the Knights of Columbus of this city and Wellsville have arranged for a special train to the big meeting at Dennison next Sunday. The train will leave Wellsville at 7 o'clock standard time. Fifteen candidates from Wellsville and five from this city are to be initiated there and many will go from the two cities to witness the ceremonies.

Thomas J. Duffy has been invited to deliver an address at the meeting and will accept the invitation.

BASEBALL SEASON

Will Open With a Game on Saturday Between Shops Team and Salineville.

Arrangements are completed for the first game of base ball of the season in Wellsville, which will be played at Central park Saturday afternoon between the shops team and the Salineville club. The game will start at 3 o'clock and this is the lineup of the shops team: Catcher, Emmerling or Bare; pitcher, Hussey, Saulters or Ashbaugh; short, Hamilton; first, Colledge; second, Grafton; third, Culbertson; left, Chapman; middle, McNutt; right, Knox.

The schedule of the season, as made to date, is as follows:
May 7—Salineville.
May 14—Bellaire.
May 21—Beaver Falls Athletics.
May 28—Pittsburg college.
May 30—Allegheny shops.
June 4—Sebring.
June 11—Leetsdale.
June 18—Steubenville.
June 25—Monaca.
July 2—Hillsdale, Allegheny.
July 4—McKeesport, Pa.
July 9—Manchester Athletic club, Allegheny.
July 15—At Rochester, Pa.
July 16—Smoky City Grants, Pittsburg (colored).
July 23—East End Lyceum, East End, Pittsburg.
July 30—Bethesda, O.
August 6—Open.
August 12—At Alliance.
August 13—Northside, Allegheny, Pa.
August 20—Toronto.
August 27—Allegheny Lyceum.
Labor day—Open.

These days so rapid is the pace, The man of action win the race, And if the finish you would see, Go take some Rocky Mountain Tea. C. F. Craig.

STATE SANITARIUM BILL

Continued from First Page.

30, 1903, 805; total number of cases, 1,141; total number of cases finally disposed of, 855; cases taken to circuit court, 16; cases pending in common pleas court July 1, 1903, 270.

WILL NEXT PURSUE TRUSTS AND RIOTERS

Attorney General Wade H. Ellis is the recipient of congratulations for his success in the decision of the supreme court holding the direct inheritance tax to be constitutional. The bill to an extent was drawn by him in less than twenty-four hours after the original bill was defeated. Now that the attorney general has been so successful in this measure he proposes to forge ahead in the action against the coal trust and would personally supervise the cases against the indicted Springfield rioters. Both of these cases are huge undertakings, and he says he will exert the energies of his entire force in bringing them to a successful end.

LEGAL DISPUTE OVER A NEW ROAD

Plaintiff Seeks to Have a Temporary Injunction Made Permanent.

Lisbon, May 5.—(Special.)—At a night session of court last evening, a case in which John L. Wilcoxson is plaintiff against the trustees of Hanover township was tried by the judge and taken under advisement.

The plaintiff some time ago got a temporary injunction restraining the defendants from making a new road through his farm and asked that the injunction be made permanent on the ground that the proposed road is to

MAMMOTH WORLD'S FAIR HOTEL

Six Thousand Guests May Put Up at The Inside Inn, on the Grounds.

RATES FROM \$1.50 TO \$5 PER DAY.

Never was a hotel established that afforded for the visitors to any exposition so many advantages and conveniences as that offered by the Inside Inn, at the World's Fair at St. Louis. This mammoth establishment, 300 feet long and 400 feet wide, will comfortably accommodate 6,000 persons. If the visitor has only a limited time in which to see the World's Fair he will find the Inn a great economizer of time. He will be relieved of the often long and tedious trip to and from the grounds, and he can devote the time thus saved to seeing the World's Fair sights.

During the noon hour he may retire to his room and enjoy a brief siesta and return to his interesting and self-imposed task of sight-seeing refreshed and prepared to enjoy the afternoon and evening to the utmost.

The location of the hotel is ideal. It is in the southeastern section of the World's Fair grounds, near one of the main entrances. Street cars to any part of the city pass the southern side of the Inn. The Intramural cars, touching any section of the two square miles of exposition grounds, also pass the hotel on the south. It is within easy walking distance of the Cascade Gardens, the center of the "main picture." Many of the beautiful state buildings are on sites adjoining the hotel, and a few minutes' walk through the most beautiful of landscapes will carry the visitor to the portals of any of the great exhibit palaces.

The rates charged at the Inside Inn have been fixed by the Exposition management and their reasonableness will appeal to the visitor. On the European plan accommodations may be had for from \$1.50 to \$5 per day. This includes the admission to the exposition grounds. The higher priced rooms are richly furnished and contain private baths. On the American plan the rates are from \$3 to \$7 per day, including admission.

The restaurant in the building will seat 2,500 persons. Breakfast and luncheon are served for 50 cents and evening dinner is 75 cents.

extend into two counties and therefore should be a state road. On a petition the trustees of Hanover township, Columbiana county, and East township, Carroll county, had viewers appointed to mark out the road. The temporary injunction was then secured.

WOMEN FOUGHT

And as a Result Two Paid Fines in the Mayor's Court at Lisbon.

Lisbon, May 5.—(Special.)—A neighborhood quarrel Sunday participated in by several women living in the eastern part of town, got into Mayor Farrell's court last evening. Mrs. Etta Wright was found guilty of striking Mrs. Emma Beckwith in the face with a stone and was fined \$10 and costs.

Miss Eleanor Beckwith, found guilty of striking Mrs. Wright, was fined \$2 and costs.

DAMAGE SUIT DROPPED

Sawyer Smith's Action for \$5,000 Against United Power Company Dismissed.

Lisbon, May 5.—(Special.)—The case of Sawyer Smith, of St. Clair township, against the United Power company, in which the plaintiff asks \$5,000 damages for alleged injuries, has been dismissed.

A body builder, strength producer, checks and repairs wasted tissues, invigorates the stomach, kidneys and liver. That's what Hollister's Rocky Mountain Tea does. 35 cents, tea or tablets. C. F. Craig.

THE REASON: Having secured at a very late shipment of New Styles of Suitings from one of our manufacturers at this late day we concluded to put them in after having placed an offer for them away below the cost of production.

Here is a chance of a grand bargain so convince yourself by looking in at us and we will be only too glad to show you the goods.

Steinfeld & Viney,

Cor. Sixth Street and the Diamond.

ARBITERS AT WORK

To Fix Damages Caused By Collapse of the Adams Building.

Three arbiters have been selected by the parties interested to determine the loss occasioned by the collapse of the Adams building. One of the arbiters is Felix Half, of Pittsburg, well known here, and the others are from Cleveland.

The arbiters commenced work this morning.

NEW ADVERTISEMENTS TODAY.

Boston Store, corsets, millinery, etc.

Hard's, where people are saving money.

Andrews, spring water ice.

Holloway, "true fruit" soda.

Schlegel, fish.

Potters National Bank, financial strength.

Boy Born—Mr. and Mrs. Charles College, of Broadway, are parents of a boy which arrived at their home last night.

At tomorrow's baseball game, Clothcraft clothes will make the hit of the season. Joseph Bros. sell them. \$10 and upwards.

POWDER PLANT BLOWS UP.

Four Men Killed and Two Injured at Newport, Ind.

Newport, Ind., May 5.—A powder mill owned by the Northwestern Powder company, three miles from Newport, was blown up. Four men were killed outright and two were injured.

Ten thousand pounds of powder exploded and the bodies of two of the men were blown into such small pieces that they could not be picked up. The other bodies were not so badly mangled. The injured men will recover. The loss on the plant was \$7,000.

PRIEST DIES AS RESULT OF HIGHWAYMAN'S ATTACK.

Omaha, Neb., May 5.—Rev. Father Edward Geary, assistant pastor of the Holy Family Catholic church, died as the result of injuries inflicted on him by highwaymen Monday night. The assault occurred in front of the church and was committed by two men. Father Geary was 75 years old. A man giving the name of James Crandall is under arrest in connection with the assault.

TOO LATE TO CLASSIFY

REALM OF SPORTS

MAYOR INVITED TO TOSS THE FIRST BALL

First Game of the Season With Leedsdale Will Follow—Plan to Award the Ring.

Mayor Weaver has been invited to toss up the first ball and to declare that the season of 1904 in East Liverpool is on. Col. J. J. Rose and Charles Walsh called at the mayor's office this morning with the invitation. The mayor's well known modesty prevented him from giving an answer, but it is hoped that he will accept.

There will be little formality in the opening. A street parade and band was considered, but it was decided not to attempt anything elaborate. The committee appointed to raffle the diamond ring met last night and decided to have the captain of the Leedsdale team do the drawing. Tickets numbered to correspond with those sold will be placed in a box and the Leedsdale man, blindfolded, will draw a ticket from the box. The person holding the duplicate of the ticket will be awarded the ring. This is a simple and fair plan and will meet with approval from all interested.

Indications are that there will be a record breaking crowd at the game. The Leedsdale team played a fast article of ball here last year and as the two teams are evenly matched a close contest can be expected.

Mayor Weaver is investigating the city ordinances with a view of preventing the "short skates" from congregating on the hillsides and on the box cars. If there is a law to cover the offense it will be rigorously enforced.

The East Liverpool lineup will be as follows: Emmerling, catcher; Winters, pitcher; Jarvis, short; Heckathorn, first; Webb, second; Davis, third; Gibson, left; Wallace, middle; Bennett, right; Millwood and Faulk, extras.

BANKERS' TEAM

The Latest Addition to the Base Ball Clubs of the City Includes Good Material.

The bankers of the city have organized a base ball team, and games will be arranged with several of the social clubs during the season.

The lineup, as handed in for publication, follows: Catcher, Harry Hall; pitcher, W. E. Dunlap; short, N. G. Macrum; first, H. H. Blythe; second, R. W. Patterson; third, J. G. Lee; left field, William Brunt; center, Thomas Fisher; right, John W. Vodrey; and Geo. H. Owen, sub.

Local Sporting Notes.

John Godwin has been hitting the ball hard in the opening games at Bloomington and has made a good start toward carrying off the base stealing honors in the Three I League.

The team at McNeil's is anxiously awaiting an answer to its challenge to the Taylor, Smith & Taylor nine. Miller lost for the Stogies Tuesday because his team mates made only one measly hit off the South Bend twirler. He struck out nine men.

Kid Barker lost his game Monday by one run and Godwin had two errors in center field.

Team at Smith's Ferry.

The Smith's Ferry boys have organized a second team there, called the Smith's Ferry Juniors, and their first game will be played Saturday afternoon with the Imperials. The Junior lineup is: Jim Thompson, catcher; George Martin, pitcher; John Wright, short; Will Green, first; Robert Green, second; Arthur Moore, third; Perry Melon, right; Robert Thompson, center; Harry Hughes, left.

LEGAL.

Administrator's Sale of Real Estate.

In pursuance of an order of the probate court of Columbiana County, Ohio, I will offer for sale, at public auction, on Monday, the 2nd day of May, 1904, at 10 o'clock A. M., upon the premises, the following described real estate, situated in the Township of Liverpool, Columbiana County, and State of Ohio, to-wit: Known as and being lot number five thousand two hundred and fifty-four (254) as said lot is numbered, and distinguished on a recorded plat of a subdivision held out by A. D. and E. W. Hall, and known as the late plot of lots as recorded in the records of the recorder of Columbiana County, Ohio.

Said property is appraised at \$250.00. Terms of sale: One third in hand, one-third in one year, and one-third in two years from the day of sale, with interest; the payments to be secured by mortgage upon the premises sold.

CHARLES W. USLER,
Administrator of the estate of David A. Palmer, deceased.
Dated April 7, 1904.
FRANK E. GROSSHANS, Attorney.
Published in the Evening News Review April 7th, 14th, 21st and 28th, 1904.

Your Chance for an evening's pleasure. Full line of Tobacco and Cigars. The only place in the city to get healthful exercise.
202 Washington Street.

ert Green, second; Arthur Moore, third; Perry Melon, right; Robert Thompson, center; Harry Hughes, left.

Played Tie Game.

The Seventh street Stars and the Leaders played a tie game yesterday afternoon on Jessa's field. The game was called at the end of the fifth inning on account of darkness, the score standing 13 to 13. The batteries were: Knox and Fleisch for the Leaders and Watkins and Robbins for the Stars.

Challenges Accepted.

Noticing a challenge from the local pressmen's baseball team for a game, the letter carriers accept and desire a game be played on Rock Springs grounds Tuesday, May 10.

Accidents

**Sprains and Bruises
Burns and Scalds
Cuts and Wounds**

Accidents happen every day. Why not be prepared? A household supply with

need have no fear of the ordinary ailments and mishaps of mankind. Hamlin's Wizard Oil is a safeguard for children, a comfort to parents, a boon to the old folks. It will pay to keep this old-time, reliable family medicine always on hand in case of need.

John Smith, Starbuck, Minn., writes April 13, 1901: "I have been in bed for four weeks with a sprained back, caused by too heavy lifting. I have tried almost everything to cure it. Seeing what Hamlin's Wizard Oil had done for others I tried a bottle and in two days I was able to work. W. L. Steele, Santa Barbara, Cal., writes: 'My child fell from a high chair upon a hot stove and burned its forehead and side of face severely. It suffered intensely for three days, when we commenced using Hamlin's Wizard Oil. The pain was relieved in twenty minutes and the burns healed in about five days.'

There is only one Wizard Oil—Hamlin's—name blown in the bottle. Signature "Hamlin Bros." on wrapper. Take no substitute. 50c. and \$1.00.

Russian Squadron Effectually Imprisoned in Port Arthur Harbor.

OFFICERS WERE DETERMINED

Additional Reports of Fighting Along Yalu River on Sunday—Russian Losses Continue Growing—Kashlinsky Tells How He Was Beaten.

London, May 5.—The opinion gains ground here that the Japanese have at last effectually blocked Port Arthur. No official Japanese report on the subject has been received, but the Tokyo correspondents are very positive regarding the matter and describe the determination with which the enterprise was undertaken.

The Daily Telegraph's correspondent declares that the entrance to Port Arthur is "absolutely sealed," and adds that the Japanese fleet in effecting its purpose steamed into the entrance at full speed and that the naval officers who made the two previous attempts begged permission to carry out the next attack by daylight, that being easier, and their request was granted.

"So determined were they to succeed," adds the correspondent, "that they decided if necessary to lose half their men. The number of casualties sustained by the Japanese has not yet been announced."

In favor of the supposition of Japanese success in blocking Port Arthur, it is pointed out that the previous attempts had left the channel so narrow that a couple of vessels sunk in the fairway would probably suffice to seal up the entrance, while there is a noticeable evasion and half-heartedness in the Russian denials of the enemy's success.

General Kashtalinsky Reports.
St. Petersburg, May 5.—The emperor has received the following dispatch from General Kashtalinsky through General Kuropatkin:

"I consider it my duty to report the circumstances of the grievous yet glorious battle fought by the troops under my command with the superior forces of the Japanese on May 1.

"Early on the morning of April 30 the Japanese began to oppress our left flank, having on the previous evening occupied the Khussan heights after an attack, in consequence of which I ordered the Twenty-second regiment, which had occupied Khussan, to retire across the Al river to our position at Potietinsky.

"On the morning of the same day a violent bombardment of our whole position at Kiu-Lien-Cheng commenced from Wiju. I foresaw that the Japanese, after the bombardment in which over 2,000 projectiles were discharged, would take the offensive.

"I received orders from Lieutenant General Sasulitch to accept battle and to retain my position at the forts of Potietinsky.

"My left flank was defended by two battalions of the Thirty-second regiment and the third battery of the sixth brigade.

Japs Take the Offensive.

"The Japanese took the offensive at 5 o'clock in the morning, dispatching at least one division of infantry, which, advancing in column, sustained enormous losses, but crossed the ford and attacked our position, which was exposed to the fire of 36 field guns and siege batteries. The Japanese advanced and occupied the position.

"Towards noon I ascertained that the Japanese had routed the battalion posted at Chin-Gow and were turning my left flank. At 1 o'clock my left flank was reinforced by two battalions of the Eleventh regiment and a battery commanded by Lieutenant Colonel Moravsky, which were sent from the reserve by General Sasulitch with orders to hold their ground until the departure of the Ninth and Tenth regiments from Sakhodza. I ordered the Eleventh regiment to occupy a commanding position in the rear from which they could fire on the enemy from two sides.

"I held Lieutenant Colonel Moravsky's battery in reserve and ordered the Twelfth regiment, the third battery and the quick-firing guns to retire under cover of the Eleventh regiment.

Battery Commander Killed.
"At 1 o'clock the Japanese approached so close to the position held by the Eleventh regiment that the third battery could not pass along under the cross fire, taking up a position a short distance from the Japanese and remained there until the end of the fight, losing its commander, Lieutenant Colonel Moravsky.

"A company with quick-firing guns was brought up from the rear and the officer commanding this force, seeing the difficult situation of Moravsky's battery, took up the position on his own initiative. He lost half of his men and all his horses and attempted to remove his guns by hand to the shelter of the hills under the Japanese

cross fire. The quick-firing pieces discharged about 35,000 bullets.

"The Twelfth regiment cut its way through and saved its colors.

"The second battery of the sixth brigade attempted to rejoin the reserves by another route, but could not ascend the mountain with only half its horses and, retiring to its original position, received the Japanese attack.

"The Eleventh regiment held its ground for two hours more with heavy losses, forced a passage at the point of the bayonet and crossed the ravines with its colors. It lost its colonel, commandant, 40 officers and about 2,000 non-commissioned officers and men. The Japanese losses must have been enormous. The Russians retired in good order on Feng-Huang-Cheng.

"The men of the third division maintained their excellent morale and over 700 wounded proceeded with their regiments to Feng-Huang-Cheng."

Berlin, May 5.—The newspapers have largely given up their disposition to belittle Japanese victory on the Yalu. The first observations of the political editors are now followed by articles from military critics, one of whom declares that the loss of half the Russian artillery "Spells defeat sans phrase." This writer pronounces the Japanese action to have been magnificent, while all the critics emphasize the moral effect of the victory.

Berlin, May 5.—The Vossische Zeitung says it is informed that the North German Lloyd Steamship company has sold to the Japanese government eight steamers belonging to its East Asiatic lines for war purposes.

Victoria, B. C., May 5.—Richard Chester of Tanegashima Island, Japan, a contractor to the Japanese government, is in this city en route to the Orient. He states that at least 10 per cent of the Japanese soldiers in the field are women disguised as men.

PARKS DIES IN PRISON.

New York Labor Leader's Wish to Die in Peace Fulfilled.

Ossining, N. Y., May 5.—Sam Parks, the New York labor leader, who was sent to Sing Sing prison some months ago after his conviction on a charge of extortion, died in the prison hospital of consumption.

The prison physician visited Parks in the hospital at 9 o'clock in the evening. The patient was then barely conscious. Later he became unconscious and remained in that condition until his death. Only the hospital attendants and one or two prison officials were at his bedside when he died.

Parks after his first conviction was

SAMUEL J. PARKS.

brought to the prison on Aug. 27 last. On securing a new trial he was released on bail on Sept. 5. After his second conviction he was brought back to the prison on Nov. 6 to serve a term of two years and three months. He was at first put to work in the fibre brush shop, but his condition soon became such that he was admitted to the hospital.

After returning to New York from Sing Sing, the first verdict having been overturned by a higher court, Parks was one of the central figures in the labor day parade last September. When convicted the second time and sentenced to Sing Sing he announced that he had given up the fight for himself and for labor and wanted to die in peace.

TROUBLE OVER CATTLE.

Texas Quarantine Against Mexico Is Causing Friction.

Washington, May 4.—The only information the department of state has touching the reported friction between Mexico and the state of Texas over the question of cattle quarantine is contained in a short telegram from United States Consul General Hanna at Monterrey saying that Texas has threatened a quarantine against Mexican cattle; that the Mexican cattle are free from disease and that the proposed action might lead to retaliation.

The matter may involve an interesting question as to the supremacy of state and national quarantine laws. The department of agriculture, through the bureau of animal industry, probably will take part in the investigation likely to be made.

Four Bandits Garrotted.
Santiago, Cuba, May 5.—Four bandits convicted of murder were garrotted in the provincial jail. It was the first legal execution since the Spanish regime. The executioners, when they arrived from Havana with the garrote, were almost mobbed while on their way to the jail.

Don't expect to enjoy good health as long as the stomach is weak. That's impossible. Strengthen it with the Bitters and good health is assured. It always cures Poor Appetite, Heartburn, Indigestion, Dyspepsia and Liver Complaints. Give it a trial.

BIG STRIKE LIKELY

Building Industry in Chicago Threatened With Complete Tie-Up.

50,000 WORKMEN INVOLVED

Trouble Started With Teamsters and Other Unions Act in Sympathy—5,000 Shipyard Workmen in New York City Demand Closed Shop.

Chicago, May 5.—Fifty thousand workmen employed in the building trades in Chicago will be thrown out of work within 48 hours, according to the statements of the officials of the Association of Manufacturers and Dealers in Building Materials, unless a speedy settlement is reached between the stone, lime and cement workers and their employers. Nearly 1,000 teamsters hauling building and street work material have been locked out because the union had called a strike in two cases, and work on a number of buildings was stopped because the supply of building material had been exhausted.

When contractors appealed to material men to rush their orders they were told that no more material would be furnished until a settlement of some kind had been reached with the unions. As none of the contractors has more than a meager supply of material on hand, construction on buildings, sidewalks and other work of that character will be at a standstill unless the controversy is speedily settled.

New York, May 5.—All the large shipyards in the Metropolitan district, except that of the Boston Dry Dock company in Brooklyn and the yard of Tilden & Lang in Hoboken, are tied up by a strike of the Brotherhood of Boilermakers and Iron Shipbuilders of the United States and Canada. Five thousand boilermakers are in-

WILL SEND \$3.75 FREE

Franklin Miles, M. D., LL. B., the Celebrated Chicago Specialist, Will Send \$3.75 Worth of His New Special Treatment Free to Each of Our Readers.

When an experienced physician offers to give away \$40,000 worth of a New Treatment for diseases of the heart, nerves, stomach or dropsy, it is conclusive evidence that he has great faith in it. And when hundreds of prominent people freely testify to his unusual skill and the superiority of his New Personal Treatment, his liberality is certainly worthy of serious consideration.

That Dr. Miles is one of the world's most successful physicians is proven by hundreds of testimonials from well known people. One patient cured after failure of eleven Grand Rapids physicians, two after being given up by six and seven Chicago physicians, another after nine leading doctors in New York City, Philadelphia and Chicago failed. 1,000 testimonials sent upon request.

The eminent Rev. W. Bell, D. D., of Dayton, O., Gen. Sec'y of Foreign Missions, writes editorially in the State Sunday School Union: "We desire to state that from personal acquaintance we know Dr. Miles to be a most skillful specialist, a man who has spared neither labor nor money to keep himself abreast of the great advancement in medical science."

Col. Tucker, late general manager N. Y. L. E. & W. R. R. of Cleveland, states: "Dr. Miles' success as a physician has been phenomenal." Mrs. M. E. England, of Cleve., O., says: "I took Dr. Miles' New Treatment for six weeks and the results were marvelous." Mrs. M. B. Morelan, of Rogers, O., writes: "For 25 years I had heart trouble, could not get relief. Before your treatment could not raise myself out of my chair. You saved my life." Miss Josie Thompson, of Circleville, O.: "A consultation of doctors said there was no help for me. It is now four years since I took your new treatment. Have done much hard work since."

This new system of Special Treatment is thoroughly scientific and immensely superior to ordinary methods. As all afflicted readers may have \$3.75 worth of treatment free, we would advise them to send for it at once. Address, Dr. Franklin Miles, 562 to 572 Main Street, Elkhart, Ind.

involved and workmen of other trades may be affected. The organization is said to have \$250,000 in its relief fund and the 12 local lodges are also well supplied with money. Married men will be paid \$7 a week and single men \$5 a week out of the strike fund. Preparations have been made for a long struggle.

The yards and shops affected are those whose owners are members of the New York Metal Trades association, which body refused to grant the boilermakers' demand for the closed shop and the admission of walking delegates to all shops and jobs.

In the yards of the Morris Heights Shipbuilding company at Morris Heights 300 men who had been employed in building two torpedo boats for the government quit work.

BAKERS KIDNAPED.

27 Imported Non-Union Men Vanish Upon Arrival at Chicago.

Chicago, May 5.—An attempt to import 27 bakers from St. Louis to fill the places of strikers has resulted in a complaint to the police that 27 of the St. Louis bakers had been kidnapped by the Chicago bakers' union. Two of the striking bakers were arrested and the police are looking for the 27 men who have disappeared.

The men arrived in Chicago and started in a body for the plant of the Scholz Baking company, where they had been promised employment. When within half a block of the shops they were surrounded by several hundred union bakers' sympathizers. The strikers warned the newcomers not to accept work at the bakery.

Some of the non-union men insisted, however, and a fight started. A riot call was sent in, but when the police arrived the crowd had disappeared. Only two of the St. Louis men had succeeded in reaching the Scholz plant and the others had been spirited away.

ROOT TO BE CHAIRMAN.

Republican Leaders Make Arrangements for Convention at Chicago.

Washington, May 5.—The subcommittee of the Republican National committee met here at the Arlington hotel to complete a preliminary organization. A rate equal to fare one way for round trip will be made to and from Chicago.

After agreeing that former Secretary of War would be recommended for temporary chairman the subcommittee in looking up the precedents found that it had been the custom for the full committee to select the temporary chairman and this will be done at a meeting which Chairman Payne will call for Chicago June 15. The committee at that time also will make up the temporary roll of delegates.

Detroit, Mich., May 5.—James H. Stone, who was selected one of the assistant reading clerks of the Republican national convention, has been dead for a number of months.

CHANGED THEIR TIPLE.

Two Men on Spree Drink Carbolic Acid and Laudanum.

Camden, N. J., May 5.—Charles Douglass, 43 years old, of Woodbury, near here, died from laudanum poisoning after seeing John Ziegler of Gloucester swallow carbolic acid.

Ziegler and Douglass had been drinking. While at one of the hotels Ziegler drank the acid and died in Douglass' arms. The latter returned to his home and there swallowed the laudanum.

A Lesson in Health.

Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. Sold by Will Reed.

FOR WORLD'S FAIR VISITORS

The Evening News Review Will Be on Sale Regularly in St. Louis.

East Liverpool people attending the World's Fair at St. Louis can secure the Evening News Review from J. J. Purcell, whose news wagon will be found in front of the postoffice in the forenoons; and afternoons and evenings around the principal streets and hotels.

"BEAUTIFUL WINONA."

Excursions by Pennsylvania Lines to That Pretty Resort.

With the opening of the season at Winona Lake, May 10, the sale of excursion tickets over the Pennsylvania Lines to that attractive resort in Northern Indiana will begin. Every summer passed there by thousands has only increased their desire to return. On the golf links, the tennis courts, the baseball or cricket grounds, the croquet field, or boating on the lake, fishing, camping, swimming, driving, or attending recitals and lectures by world-famous persons in the auditorium—whatever the diversion may be, the associations are of that congenial sort, covered by good society. This resort is noted as the site of Winona Assembly and Summer School, attracting teachers and students from educational institutions of this and other countries.

Fifteen-day and season excursion tickets will be sold from ticket stations on the Pennsylvania Lines during the summer. For information about fares and time of trains, apply to local ticket agents, or to F. Van Dusen, chief assistant general passenger agent, Pittsburgh, Pa. Illustrated literature describing attractions of Winona Lake may be had for the asking. Address S. C. Dickey, secretary and general manager, Winona Lake, Ind., who will give particulars regarding camping facilities, hotel accommodations, program of addresses by noted speakers and all other details.

Low Fares to the West via Pennsylvania Lines.

May 3, 17, June 7, 21, July 5, 19, August 2, 16, Home-Seekers' tickets will be sold to points in the west, northwest, south and southwest, and Canada and Mexico. For further information apply to ticket agents of Pennsylvania Lines.

RISING BREAST

And many other painful and serious ailments from which most mothers suffer, can be avoided by the use of "Mother's Friend." This great remedy is a God-send to women, carrying them through their most critical ordeal with safety and no pain.

No woman who uses "Mother's Friend" need fear the suffering and danger incident to birth; for it robs the ordeal of its horror and insures safety to life of mother and child, and leaves her in a condition more favorable to speedy recovery. The child is also healthy, strong and good natured. Our book "Motherhood," is worth its weight in gold to every woman, and will be sent free in plain envelope by addressing application to Bradfield Regulator Co. Atlanta, Ga.

Accidents

**Sprains and Bruises
Burns and Scalds
Cuts and Wounds**

Accidents happen every day. Why not be prepared? A household supply with

need have no fear of the ordinary ailments and mishaps of mankind. Hamlin's Wizard Oil is a safeguard for children, a comfort to parents, a boon to the old folks. It will pay to keep this old-time, reliable family medicine always on hand in case of need.

John Smith, Starbuck, Minn., writes April 13, 1901: "I have been in bed for four weeks with a **Sprained Back**, caused by too heavy lifting. I have tried almost everything to cure it. Seeing what Hamlin's Wizard Oil had done for others I tried a bottle and in two days I was able to work."

W. L. Steele, Santa Barbara, Cal., writes: "My child fell from a high chair upon a hot stove and burned its forehead and side of face severely. It suffered intensely for three days, when we commenced using Hamlin's Wizard Oil. The pain was relieved in twenty minutes and the burns healed in about five days."

There is only one Wizard Oil—Hamlin's—name blown in the bottle. Signature "Hamlin Bros." on wrapper. Take no substitute. 50c. and \$1.00.

Russian Squadron Effectually Imprisoned in Port Arthur Harbor.

OFFICERS WERE DETERMINED

Additional Reports of Fighting Along Yalu River on Sunday—Russian Losses Continue Growing—Kashatinsky Tells How He Was Beaten.

London, May 5.—The opinion gains ground here that the Japanese have at last effectually blocked Port Arthur. No official Japanese report on the subject has been received, but the Tokio correspondents are very positive regarding the matter and describe the determination with which the enterprise was undertaken.

The Daily Telegraph's correspondent declares that the entrance to Port Arthur is "absolutely sealed," and adds that the Japanese fleet in effecting its purpose steamed into the entrance at full speed and that the naval officers who made the two previous attempts begged permission to carry out the next attack by daylight, that being easier, and their request was granted.

"So determined were they to succeed," adds the correspondent, "that they decided if necessary to lose half their men. The number of casualties sustained by the Japanese has not yet been announced."

In favor of the supposition of Japanese success in blocking Port Arthur, it is pointed out that the previous attempts had left the channel so narrow that a couple of vessels sunk in the fairway would probably suffice to seal up the entrance, while there is a noticeable evasion and half-heartedness in the Russian denials of the enemy's success.

General Kashtalinsky Reports.

St. Petersburg, May 5.—The emperor has received the following dispatch from General Kashtalinsky through General Kuropatkin:

"I consider it my duty to report the circumstances of the grievous yet glorious battle fought by the troops under my command with the superior forces of the Japanese on May 1."

"Early on the morning of April 30 the Japanese began to oppress our left flank, having on the previous evening occupied the Khussan heights after an attack, in consequence of which I ordered the Twenty-second regiment, which had occupied Khussan, to retire across the Ai river to our position at Pottelitsky."

"On the morning of the same day a violent bombardment of our whole position at Kiu-Lien-Cheng commenced from Wiju. I foresaw that the Japanese, after the bombardment in which over 2,000 projectiles were discharged, would take the offensive."

"I received orders from Lieutenant General Sasulitch to accept battle and to retain my position at the forts of Pottelitsky."

"My left flank was defended by two battalions of the Thirty-second regiment and the third battery of the sixth brigade."

Japs Take the Offensive.

"The Japanese took the offensive at 5 o'clock in the morning, dispatching at least one division of infantry, which, advancing in column, sustained enormous losses, but crossed the fort and attacked our position, which was exposed to the fire of 36 field guns and siege batteries. The Japanese advanced and occupied the position."

"Towards noon I ascertained that the Japanese had routed the battalion of the Twenty-second regiment posted at Chin-Gow and were turning my left flank. At 1 o'clock my left flank was reinforced by two battalions of the Eleventh regiment and a battery commanded by Lieutenant Colonel Moravsky, which were sent from the reserve by General Sasulitch with orders to hold their ground until the departure of the Ninth and Tenth regiments from Sakhodza."

"I ordered the Eleventh regiment to occupy a commanding position in the rear from which they could fire on the enemy from two sides."

"I held Lieutenant Colonel Moravsky's battery in reserve and ordered the Tenth regiment, the third battery and the quick-firing guns to retire under cover of the Eleventh regiment."

Battery Commander Killed.

"At 1 o'clock the Japanese approached so close to the position held by the Eleventh regiment that the third battery could not pass along under the cross fire, taking up a position a short distance from the Japanese and remained there until the end of the fight, losing its commander, Lieutenant Colonel Moravsky."

"A company with quick-firing guns was brought up from the rear and the officer commanding this force, seeing the difficult situation of Moravsky's battery, took up the position on his own initiative. He lost half of his men and all his horses and attempted to remove his guns by hand to the shelter of the hills under the Japanese

cross fire. The quick-firing pieces discharged about 35,000 bullets.

"The Twelfth regiment cut its way through and saved its colors."

"The second battery of the sixth brigade attempted to rejoin the reserves by another route, but could not ascend the mountain with only half its horses and, retiring to its original position, received the Japanese attack."

"The Eleventh regiment held its ground for two hours more with heavy losses, forced a passage at the point of the bayonet and crossed the ravines with its colors. It lost its colonel, commandant, 40 officers and about 2,000 non-commissioned officers and men. The Japanese losses must have been enormous. The Russians retired in good order on Feng-Huang-Cheng."

"The men of the third division maintained their excellent morale and over 700 wounded proceeded with their regiments to Feng-Huang-Cheng."

Berlin, May 5.—The newspapers have largely given up their disposition to belittle Japanese victory on the Yalu. The first observations of the political editors are now followed by articles from military critics, one of whom declares that the loss of half the Russian artillery "Spells defeat sans phrase." This writer pronounces the Japanese action to have been magnificent, while all the critics emphasize the moral effect of the victory.

Berlin, May 5.—The Vossische Zeitung says it is informed that the North German Lloyd Steamship company has sold to the Japanese government eight steamers belonging to its East Asiatic lines for war purposes.

Victoria, B. C., May 5.—Richard Chester of Tanegashima Island, Japan, a contractor to the Japanese government, is in this city en route to the Orient. He states that at least 10 per cent of the Japanese soldiers in the field are women disguised as men.

PARKS DIES IN PRISON.

New York Labor Leader's Wish to Die in Peace Fulfilled.

Ossining, N. Y., May 5.—Sam Parks, the New York labor leader, who was sent to Sing Sing prison some months ago after his conviction on a charge of extortion, died in the prison hospital of consumption.

The prison physician visited Parks in the hospital at 9 o'clock in the evening. The patient was then barely conscious. Later he became unconscious and remained in that condition until his death. Only the hospital attendants and one or two prison officials were at his bedside when he died.

Parks after his first conviction was

SAMUEL J. PARKS.

brought to the prison on Aug. 27 last. On securing a new trial he was released on bail on Sept. 5. After his second conviction he was brought back to the prison on Nov. 6 to serve a term of two years and three months. He was at first put to work in the fibre brush shop, but his condition soon became such that he was admitted to the hospital.

After returning to New York from Sing Sing, the first verdict having been overturned by a higher court, Parks was one of the central figures in the labor day parade last September. When convicted the second time and sentenced to Sing Sing he announced that he had given up the fight for himself and for labor and wanted to die in peace.

TROUBLE OVER CATTLE.

Texas Quarantine Against Mexico Is Causing Friction.

Washington, May 4.—The only information the department of state has touching the reported friction between Mexico and the state of Texas over the question of cattle quarantine is contained in a short telegram from United States Consul General Hanna at Monterey saying that Texas has threatened a quarantine against Mexican cattle; that the Mexican cattle are free from disease and that the proposed action might lead to retaliation.

The matter may involve an interesting question as to the supremacy of state and national quarantine laws. The department of agriculture, through the bureau of animal industry, probably will take part in the investigation likely to be made.

Four Bandits Garrotted.

Santiago, Cuba, May 5.—Four bandits convicted of murder were garrotted in the provincial jail. It was the first legal execution since the Spanish regime. The executioners, when they arrived from Havana with the garrote, were almost mobbed while on their way to the jail.

BIG STRIKE LIKELY

Building Industry in Chicago Threatened With Complete Tie-Up.

50,000 WORKMEN INVOLVED

Trouble Started With Teamsters and Other Unions Act in Sympathy—

5,000 Shipyard Workmen in New York City Demand Closed Shop.

Chicago, May 5.—Fifty thousand workmen employed in the building trades in Chicago will be thrown out of work within 48 hours, according to the statements of the officials of the Association of Manufacturers and Dealers in Building Materials, unless a speedy settlement is reached between the stone, lime and cement workers and their employers. Nearly 1,000 teamsters hauling building and street work material have been locked out because the union had called a strike in two cases, and work on a number of buildings was stopped because the supply of building material had been exhausted.

When contractors appealed to material men to rush their orders they were told that no more material would be furnished until a settlement of some kind had been reached with the unions. As none of the contractors has more than a meager supply of material on hand, construction on buildings, sidewalks and other work of that character will be at a standstill unless the controversy is speedily settled.

New York, May 5.—All the large shipyards in the Metropolitan district, except that of the Boston Dry Dock company in Brooklyn and the yard of Tilden & Lang in Hoboken, are tied up by a strike of the Brotherhood of Boilermakers and Iron Shipbuilders of the United States and Canada. Five thousand boilermakers are in

detention.

When an experienced physician offers to give away \$40,000 worth of a New Treatment for diseases of the heart, nerves, stomach or dropsy, it is conclusive evidence that he has great faith in it. And when hundreds of prominent people freely testify to his unusual skill and the superiority of his New Personal Treatment, his liberality is certainly worthy of serious consideration.

That Dr. Miles is one of the world's most successful physicians is proven by hundreds of testimonials from well known people. One patient cured after failure of eleven Grand Rapids physicians, two after being given up by six and seven Chicago physicians, another after nine leading doctors in New York City, Philadelphia and Chicago failed. 1,000 testimonials sent upon request.

The eminent Rev. W. Bell, D. D., of Dayton, O., Gen. Sec'y of Foreign Missions, writes editorially in the State Sunday School Union: "We desire to state that from personal acquaintance we know Dr. Miles to be a most skillful specialist, a man who has spared neither labor nor money to keep himself abreast of the great advancement in medical science."

Col. Tucker, late general manager N. Y. L. E. & W. R. R. of Cleveland, states: "Dr. Miles' success as a physician has been phenomenal." Mrs. M. E. England, of Cleve., O., says: "I took Dr. Miles' New Treatment for six weeks and the results were marvelous." Mrs. M. E. Moreland, of Rogers, O., writes: "For 25 years I had heart trouble, could not get relief. Before your treatment could not raise myself out of my chair. You saved my life." Miss Josie Thompson, of Circleville, O.: "A consultation of doctors said there was no help for me. It is now four years since I took your new treatment. Have done much hard work since."

This new system of Special Treatment is thoroughly scientific and immensely superior to ordinary methods. As all afflicted readers may have \$3.75 worth of treatment free, we would advise them to send for it at once. Address, Dr. Franklin Miles, 562 to 572 Main street, Elkhart, Ind.

WILL SEND \$3.75 FREE

Franklin Miles, M. D., LL. B., the Celebrated Chicago Specialist, Will Send \$3.75 Worth of His New Special Treatment Free to Each of Our Readers.

When an experienced physician offers to give away \$40,000 worth of a New Treatment for diseases of the heart, nerves, stomach or dropsy, it is conclusive evidence that he has great faith in it. involved and workmen of other trades may be affected. The organization is said to have \$250,000 in its relief fund and the 12 local lodges are also well supplied with money. Married men will be paid \$7 a week and single men \$5 a week out of the strike fund. Preparations have been made for a long struggle.

The yards and shops affected are those whose owners are members of the New York Metal Trades association, which body refused to grant the boilermakers' demand for the closed shop and the admission of walking delegates to all shops and jobs.

In the yards of the Morris Heights Shipbuilding company at Morris Heights 300 men who had been employed in building two torpedo boats for the government quit work.

BAKERS KIDNAPED.

27 Imported Non-Union Men Vanish Upon Arrival at Chicago.

Chicago, May 5.—An attempt to fill the places of strikers has resulted in a complaint to the police that 27 of the St. Louis bakers had been kidnapped by the Chicago bakers' union. Two of the striking bakers were arrested and the police are looking for the 27 men who have disappeared.

The men arrived in Chicago and started in a body for the plant of the Scholz Baking company, when they had been promised employment. When within half a block of the shops they were surrounded by several hundred union bakers' sympathizers. The strikers warned the newcomers not to accept work at the bakeshop.

Some of the non-union men insisted, however, and a fight started. A riot call was sent in, but when the police arrived the crowd had disappeared. Only two of the St. Louis men had succeeded in reaching the Scholz plant and the others had been spirited away.

ROOT TO BE CHAIRMAN.

Republican Leaders Make Arrangements for Convention at Chicago.

Washington, May 5.—The subcommittee of the Republican National committee met here at the Arlington hotel to complete a preliminary organization. A rate equal to fare one way for round trip will be made to and from Chicago.

After agreeing that former Secretary of War would be recommended for temporary chairman the subcommittee in looking up the precedents found that it had been the custom for the full committee to select the temporary chairman and this will be done at a meeting which Chairman Payne will call for Chicago June 15. The committee at that time also will make up the temporary roll of delegates.

Detroit, Mich., May 5.—James H. Stone, who was selected one of the assistant reading clerks of the Republican national convention, has been dead for a number of months.

CHANGED THEIR TIPPLE.

Two Men on Spree Drink Carbolic Acid and Laudanum.

Camden, N. J., May 5.—Charles Douglas, 43 years old, of Woodbury, near here, died from laudanum poisoning after seeing John Ziegler of Gloucester swallow carbolic acid. Ziegler and Douglas had been drinking. While at one of the hotels Ziegler drank the acid and died in Douglas' arms. The latter returned to his home and there swallowed the laudanum.

A Lesson in Health.
Healthy kidneys filter the impurities from the blood, and unless they do this good health is impossible. Foley's Kidney Cure makes sound kidneys and will positively cure all forms of kidney and bladder disease. It strengthens the whole system. Sold by Will Reed.

FOR WORLD'S FAIR VISITORS

The Evening News Review Will Be on Sale Regularly in St. Louis.

East Liverpool people attending the World's Fair at St. Louis can secure the Evening News Review from J. J. Purcell, whose news wagon will be found in front of the postoffice in the forenoon; and afterwards and evenings around the principal streets and hotels.

"BEAUTIFUL WINONA."

Excursions via Pennsylvania Lines to That Pretty Resort.

With the opening of the season at Winona Lake, May 16, the sale of excursion tickets over the Pennsylvania Lines to that attractive resort in Northern Indiana will begin. Every summer passed there by thousands has only increased their desire to return. On the golf links, the tennis courts, the baseball or cricket grounds, the croquet field, or boating on the lake, fishing, camping, swimming, driving, or attending theatricals and lectures by world-famous personalities in the auditorium—whatever the diversion may be, the associations are of that congenial sort conferred by good society. This resort is noted as the site of Winona Assembly and Summer School, attracting teachers and students from educational institutions of this and other countries.

Fifteen-day and season excursion tickets will be sold from ticket stations on the Pennsylvania Lines during the summer. For information about fares and time of trains, apply to local ticket agents, or to F. Van Housen, chief assistant general passenger agent, Pittsburgh, Pa. Illustrated literature describing attractions of Winona Lake may be had for the asking. Address: S. C. Dickey, secretary and general manager, Winona Lake, Ind., who will give particulars regarding camping facilities, hotel accommodations, program of addresses by noted speakers and all other details.

Low Fares to the West via Pennsylvania Lines.

May 3, 17, June 7, 21, July 5, 19, August 2, 16, Home-Seekers' tickets will be sold to points in the west, northwest, south and southwest, and Canada, and Mexico. For further information apply to ticket agents of Pennsylvania Lines.

RISING BREAST

And many other painful and serious ailments from which most mothers suffer, can be avoided by the use of "Mother's Friend."

This great remedy is a God-send to women, carrying them through their most critical ordeal with safety and no pain.

No woman who uses "Mother's Friend" need fear the suffering and danger incident to birth; for it robs the ordeal of its horror and insures safety to life of mother and child, and leaves her in a condition more favorable to speedy recovery. The child is also healthy, strong and good natured. Our book "Motherhood," is worth its weight in gold to every woman, and will be sent free in plain envelope by addressing application to Bradfield Regulator Co. Atlanta, Ga.

MOTHER'S FRIEND

RUPTURE

My Electro-Chemic Method effects absolute, positive and permanent cures of the most possible cases of rupture without pain, cutting, danger, distressing after effects or detention from business. It will be to the interest of every ruptured person to call for free consultation and examination.

VARICOCELE The Electro-Chemic Method cures Varicocele thoroughly, quickly and painlessly the way they will stay cured. I am able to cure Hydrocele permanently in a shorter time than was ever believed possible. No cutting, pain or danger. Cure guaranteed.

PILES AND FISTULA The cures by my system of piles, fistula and other rectal diseases will bear any test of investigation. The value of my discovery of this treatment lies in the method's power to cure difficult cases without pain, cutting, danger, detention from business or possibility of the disease returning. The cures are permanent and demonstrate that surgical operations are uncalled for even in the severest cases.

State whether you desire the booklet on Rupture and Hydrocele, the one on Varicocele or the one on Piles and Fistula. You will receive testimonials from your own neighbors and well known people in whose statements you can place confidence. Satisfactory arrangements can be made for credit. No charge for consultation and examination.

**Retail Tobacco Dealers Will Have
Something to Say on
New Law.**

If an ordinance is to be passed by the Chester council restricting the sale of cigarettes and other forms of tobacco, it is likely the retail dealers of the town will have something to say with regard to how the law shall read.

In order to be up with the times it is altogether proper that the town should have some regulations to govern the sale of cigarettes. Restrictions on the sale of opium and cocaine, dealers say, might be all right in some communities, but it is not necessary in a town like Chester. The retailers are more careful in this matter than

A CASE OF IT

Many More Like It in East Liverpool.
The following case is but one of many similar occurring daily in East Liverpool. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such a conclusive evidence.

William Anderson, of 305 Lisbon street, says: "During the civil war I enlisted and served three years in the Forty-second Infantry. From the exposure during the war I attribute the severe aching and weakness in the joints and muscular rheumatism of recent years which all seemed to center in my kidneys. In the morning when first getting up I was very dizzy until I had moved around for a time and my nervous system became affected, causing fluttering and fullness around the heart. Seeing an advertisement in the paper I got Doan's Kidney Pills at the W. & W. Pharmacy and took them. A few doses gave me relief. The improvement was gradual and continued as the medicine got thoroughly into my system. I firmly believe that Doan's Kidney Pills will in every case as they did in mine, prove the justness of the claims made for them."

For sale by all dealers. Price, 50c per box. Foster-Milburn company, Buffalo, N. Y., sole agents for the United States. Remember the name Doan's and take no other.

any of the East Liverpool merchants, they say, and in a town with as high a moral standard as Chester the law would be far-fetched. All the sales of these drugs aside from the medical profession, come from East Liverpool, and it might be difficult to secure a conviction.

With tobacco and cigarettes it is different, and all agree that something should be done to prevent the small boy from becoming addicted to the tobacco habit. The objection with the measure as it has been outlined is that it does not go far enough. Local merchants believe the law ought to be as far-reaching as that relating to the sale of intoxicants to minors. They will insist upon a clause making it a misdemeanor punishable by a heavy fine for a man to buy tobacco for a boy under age. This practice is general, and it is practiced in Chester perhaps more generally than in any other community hereabouts. It is rarely the case that parents permit their children to buy tobacco, and if some one outside the family furnishes it to them the dealers should be protected to the extent of having the guilty party fined or imprisoned. This is the view taken by local dealers, and they will probably lay their claims before the town council.

TROLLEY LINE EXTENSION

**Chester May Benefit from Project of
Panhandle Traction
Company.**

Application has been made to the court of Brooke county, W. Va., for a franchise permitting the Panhandle Traction company the use of the county road for a trolley line to a point at the Ohio county line.

To the people interested in the movement there is but one way to interpret the action, that being the ultimate connection of Wheeling, Steubenville, Wellsburg and other towns on this side of the river with Chester. The project has progressed to a point where the Panhandle Traction company has secured all the rights and privileges for a line to connect Wellsburg and Steubenville. It is not difficult to figure how the remainder of the distance to New Cumberland can be covered. This accomplished, there are already two franchises lying in the hands of as many companies for the extension of the Rock Springs line and another one from Chester to New Cumberland.

It is said the Brooke county court has taken kindly to the enterprise, and the people of that district have the most implicit confidence in the word of the company, since it has never broken faith with either the officials or the people.

When the railroad has been extended as far as Steubenville it is thought the corporation will not stop there, but will push on into Hancock county. When this time comes it is reasonable to suppose that they will receive all the encouragement they need from the courts of this county.

MAKING REPAIRS

**The Panhandle Railway Employees
Making Ready for Park
Season.**

The work train with its crew was engaged in the Chester yards today, where extensive improvements are in progress. The cinder walks on the south side of the tracks, placed there for the accommodation of excursionists to Rock Springs, are in very bad repair.

A train of flat cars loaded with cinders were brought to Chester this morning and will be used in replacing those washed away during the winter. The task is a big one, and the work will require several days to complete. The walks extend along the railroad for a distance of several hundred yards and has been a great convenience to out-of-town patrons of the park.

CHESTER NOTES.

Miss Ethel Williams is ill at her home on Virginia avenue.

W. R. Skeen has been called to Pittsburgh, where his mother is dangerously ill.

The Young Married People's club, of the East End, East Liverpool, will dance at Bloom's hall this evening.

The young colored people of East Liverpool and Chester held an enjoyable dance at Bloom's hall last night. The attendance was good.

The attending physicians stated this morning that there was some improvement in the condition of R. G. Mercer, who has been near death's door for several days.

Nick Cenalley, the baker, has the distinction of being the first Chester resident to appear upon the streets in a straw hat.

Workmen are engaged upon the task of cleaning away the debris and charred lumber from the old Weber lot on Carolina avenue where the fire occurred several months ago. It is said the owners will rebuild.

Henry J. Baeur, an artist, and his wife, who are making a trip down the Ohio, are occupants of a house boat, now anchored on the Chester shore.

by local dealers, and they will proba-
bly lay their claims before the town
council.

TROLLEY LINE EXTENSION

Chester May Benefit from Project of
Panhandle Traction
Company.

Application has been made to the
court of Brooke county, W. Va., for a
franchise permitting the Panhandle
Traction company the use of the coun-
ty road for a trolley line to a point at
the Ohio county line.

To the people interested in the
movement there is but one way to in-
terpret the action, that being the ulti-
mate connection of Wheeling, Steu-
benville, Wellsburg and other towns on
this side of the river with Chester. The
project has progressed to a point where
the Panhandle Traction company has
secured all the rights and privileges
for a line to connect Wellsburg and
Steukenville. It is not difficult to fig-
ure how the remainder of the distance
to New Cumberland can be covered.
This accomplished, there are already
two franchises lying in the hands of
as many companies for the extension
of the Rock Springs line and another
one from Chester to New Cumber-
land.

It is said the Brooke county court
has taken kindly to the enterprise, and
the people of that district have the
most implicit confidence in the word
of the company, since it has never
broken faith with either the officials
or the people.

When the railroad has been extend-
ed as far as Steukenville it is thought
the corporation will not stop there, but
will push on into Hancock county.
When this time comes it is reasonable
to suppose that they will receive all
the encouragement they need from the
courts of this county.

MAKING REPAIRS

The Panhandle Railway Employees
Making Ready for Park
Season.

The work train with its crew was
engaged in the Chester yards today,
where extensive improvements are in
progress. The cinder walks on the
south side of the tracks, placed there
for the accommodation of excursion-
ists to Rock Springs, are in very bad
repair.

A train of flat cars loaded with cin-
ders were brought to Chester this
morning and will be used in replacing
those washed away during the winter.
The task is a big one, and the work
will require several days to complete.
The walks extend along the railroad
for a distance of several hundred yards
and has been a great convenience to
out-of-town patrons of the park.
